

# VOTE NOVEMBER 3rd

(See Page 5 for list of candidates)

## IT CAN BE DONE—

REMEMBER, you can, and they can't VOTE—it's your privilege, and it's your duty. We have had a high quality of elected representatives — Mr. Roberts in the Florida House, Congressman Rogers in the National Congress, and Senator Spessard Holland in the U. S. Senate. All three indulge in common sense thinking and are guided by experienced integrity and honest purpose — they have served the Glades well and deserve your VOTE. There are other elected officials in the County who deserve your earnest support and VOTE. You May Split Your Ticket — that is vote for one man for President, and then switch to the other party to vote for the man or men whom you think will best serve you. THE HERALD of October 22nd has a brief explanation of the thirteen amendments listed on the ballot, as prepared by Representative Emmett Roberts, who had a hand in passing the necessary legislation to get them on the ballot. On the SCHOOL BOND ISSUE, if you are a registered voter, BUT didn't re-register for this bond election, you may still vote by signing an affidavit that you have an equitable interest in real estate. You must give the legal description, or the address, of the property in which you have an interest.

## Buy A Mum For Mom!

Don't let your wife, your Mom or girl friend feel neglected on November 3! All the ladies will be wearing chrysanthemum corsages this year for the Belle Glade-Pahokee game. The purchase of a corsage only \$2.50 will make your best gift to her. . . and HELP THE BAND. These are being sold by Band Parents. The band needs new instruments for the talented youngsters who cannot afford to buy them. It also needs some sort of vehicle to transport the instruments when the band takes out-of-town trips. . . football games, district and state contests. Carrying instruments with the band students is a safety hazard.

## 8,537 Registered

## We Hope There'll Be 8,537 Votes Cast In The Glades!

There are 8,537 registered voters in the eight precincts in the Glades area. This is an all time high and sets a record for registered voters in this area. According to the records there are 7,000 Democrats, 1,500 Republicans and 75 Independent voters eligible to cast ballots in the general election next Tuesday. However only freshbreds may vote on the proposed school bond proposal. The Glades area precincts are located in Canal Point, South Bay, Lake Harbor, three in Belle Glade and two in Pahokee. Clerks and inspectors for these precincts will be on duty for the Nov. 3 election have been announced by the office of the Board of County Commissioners. The tentative list of election workers include: Precinct 36, Canal Point, Beulah George, Clerk; Edna Barrett, Mary Latham, Grace Maxwell and Bonnie Miller. Precinct 31, Pahokee City, Clerk: Helen Davis, Clerk: Betty Holman, Edna Pickell, Eunice Spessard, Bernice Simmon.

## Masquerade Dance By Legionnaires

Everglades Post No. 30, American Legion will hold a Masquerade Dance at its recently rehabilitated home on the corner of Southeast Avenue D and First Street, Saturday night. The Va Ha Sola Orchestra of West Palm Beach will furnish the music. Post members and their invited guests will begin dancing at 8:30 and continue until 1:00 a.m.

## Car Sideswiped

Russ Tucker and Joe Murphy who were headed to Miami Wednesday morning, to attend a Banker's Convention, had their plans changed when their car was sideswiped by a truck about 13 miles east of Belle Glade on State Road 80. No serious injuries resulted in the "near miss" according to reports from co-workers.

## Harvest Of 225,000 Acres Of Cane Brings Spending To \$60 Million

With eleven sugar mills planning to begin grinding not later than the first week in December, the Glades will experience its largest employment of labor in sugar cane harvest — near 15,000 men from management down to the field hands. Official reports indicate that there are 60,000 acres more in the ground than a year ago to make the total 225,000, with an expected production of near 800,000 tons of sugar. The new year's payroll for sugar in the Glades should be about \$60 million. The bulk of the money will be paid in advances, and materials in the immediate and nearby communities.

## New Work Starts Soon On Sewer

Work will soon begin on Belle Glade expanded water and sewer program. This was assured Thursday last week when Mayor-Commisioner George LeBon Williams was informed that \$104,720 in federal funds is being made available. Williams learned of the money being approved from U. S. Sen. Spessard L. Holland and Congressman Paul G. Rogers who sent a joint telegram to that effect. Originally, work on the project was halted when the city commission was turned down by the U. S. Public Health Service due to the fact the commission, following recommendations of Russell and Aron, consultant engineers for the city, had not accepted the low bid of \$1,120,223.30 from Selbach Brothers Trucking of Buffalo, N. Y. Inter-County Construction of Ft. Lauderdale had submitted a bid of \$1,151,764.09 and because of its long experience in the work on muck land, it was thought best to give them the contract. However, the U. S. Public Health Service told they would have to accept the lower bid if they were to receive any federal funds. The Commission voted to accept the low bid and so informed the Health Service. The fifth part of the building program called for construction of five lift stations. The low bidder on that project was Whitcomb-Moore Inc., Lake Wales. This bid was for \$238,000 and was accepted by the commission. The money to be expended in the joint program was obtained by a \$270,000 bond issue passed by city voters. Other planned improvements of streets, alleys and sidewalks are now under way.

## All You Can Eat At Sheriff's Aux. Fish Fry Nov. 8

The Sheriff's Auxiliary working out of the Glades detachment, is planning a big fish fry for November 8, to be held at the Rardin Park on State Road 715. The event is being put on to help in the fund-raising for needed accessories for members of the 45-man Auxiliary Unit. Lt. Charles LaFayette was named to head the unit when it was recently reactivated. Det. Lt. O. J. Senecal, who heads the Glades detachment of the Sheriff's office, has been in charge of training the volunteers. Donations of \$1.25 for adults and 75 cents for children are being accepted and LaFayette said guest will be served all the fish, mush, puddings, salt, beans and coffee they can eat. Tickets for the event may be purchased from any auxiliary man or by contacting LaFayette at his office, 142 SE Ave. E. The park is located on Highway 715 between here and Pahokee.

## Litter From Isbell About Cleaned Up

The cleanup program instigated by the City Officials of Belle Glade is running about three days ahead of schedule, according to John Manis City Inspector. Shortly after Hurricane Isbell hit this area, the City signed a contract with Miller Shores Harvesting Co. to pick up and haul away trees, branches and trash that had been blown a-blow by Isbell. This company had the equipment suited for this kind of work and also the personnel to handle the job. It was estimated the task would take about 10 days. However, Manis reported Wednesday the job will be completed by Friday of this week. City trucks continue to haul over the routes to pick up small branches and trash that property owners have accumulated and carried to the curb line.

## Productive Soil, Ideal Water Control Dominate Decision In \$5 Million 30,000 Acre Plans

Alvaro Sanchez, Jr., General Manager of the Big B Ranch, Belle Glade, Fla., announced today the formation of a joint venture between his company and the King Ranch of Texas. The new enterprise owns 30,000 acres in the Belle Glade area. The King Ranch, founders of the Santa Gertrudis breed of beef cattle, intends to furnish pure bred Santa Gertrudis bulls and commercial cross-bred heifers to the new venture. Plans are to initiate a grading-up program in Florida that will eventually lead to establishing pure-bred Santa Gertrudis herds on the property. This significant move represents the first operation for the King Ranch in the southeastern part of the United States. It is hoped that the undertaking will give a tremendous impetus to the Florida cattle industry. Maintenance by the state of the elaborate federal built water control system has produced hundreds of thousands of acres of new land in this area suitable for livestock production and other agricultural uses. Mr. Castro's "Boys Friday" were not appreciative of the quality beef on the Sanchez Ranch, and the valuable herd has been dispersed, according to information. Mr. Sanchez states that grass planting is going on daily, and he expects near 1,500 acres of pasture land planted by January 1st. A small portion of the total is already in Para, and the new plantings are with St. Augustine. Following the purchase of 26,000 acres from Hillsboro Plantation, last year, approximately 4,000 acres were acquired contiguous to and west of that tract, to establish an ownership from the North New River eastward to the Hillsboro Canal. Water control for the entire tract has been planned with canals, roadways and facilities for the overall development well underway. A private rock double roadway reaches the east-west line of the property along a main collecting or pumping canal. Alvaro Sanchez, Jr., General Manager of the Big B Ranch, a 30,000-acre tract of land reaching from the North New River to the Hillsboro Canal, has been a Santa Gertrudis breeder in Cuba for thirty years and produced a number of grand champion bulls of his country. This was BC (before Castro). Mr. Castro's "Boys Friday" were not appreciative of the quality beef on the Sanchez Ranch, and the valuable herd has been dispersed, according to information. Mr. Sanchez states that grass planting is going on daily, and he expects near 1,500 acres of pasture land planted by January 1st. ## King Ranch Enters Long Range Plan For Beef Production In Gladeslands

King Ranch — the Kieberg Family — with ranch holdings in South America, Australia and several of our United States, is activating a joint venture with Big B Ranch for the breeding and upgrading of commercial beef cattle. The event is being put on to help in the fund-raising for needed accessories for members of the 45-man Auxiliary Unit. Lt. Charles LaFayette was named to head the unit when it was recently reactivated. Det. Lt. O. J. Senecal, who heads the Glades detachment of the Sheriff's office, has been in charge of training the volunteers. Donations of \$1.25 for adults and 75 cents for children are being accepted and LaFayette said guest will be served all the fish, mush, puddings, salt, beans and coffee they can eat. Tickets for the event may be purchased from any auxiliary man or by contacting LaFayette at his office, 142 SE Ave. E. The park is located on Highway 715 between here and Pahokee.

## Aerial Photos Of Glades Area Now Available

Aerial photographs of the Glades area are now available and may be purchased at the office of Associate County Agent John H. Causey, according to announcement made here this week. These photos are the first aerial photographs of the Glades area taken since 1957, according to Sam Schooley, office manager of the Agriculture Stabilization and Conservation Service. Photos of the east coast area of the county have also been received by Schooley. The price of the pictures varies with the size. Schooley said the aerial photographs were taken Dec. 19, 1963 to Feb. 21, 1964. (Continued On Page Eight)

## Alvaro Sanchez

Alvaro Sanchez, Jr., General Manager of the Big B Ranch, a 30,000-acre tract of land reaching from the North New River to the Hillsboro Canal, has been a Santa Gertrudis breeder in Cuba for thirty years and produced a number of grand champion bulls of his country. This was BC (before Castro).

## Oct. 31

## Hallowe'en Carnival Saturday Night Promises Lots Of Fun For Everyone

Children are marking off the hours until Hallowe'en . . . and it's nearly time for the annual Hallowe'en Carnival parade. Publicity chairman Vic Green announced PTA Carnival plans are all complete, and an outstanding evening is in store for young and old alike at Belle Glade High School football field Saturday night, Oct. 31, beginning with the Hallowe'en parade which starts at 5:30. —Parade— Mrs. Larry Royal, in charge of the parade, says that all children in costume be at the field by 5:15. Mrs. Clara Sellers and Mrs. Betty Bowen are in charge of judging. Forty prizes in all will be given for the varied age groups and categories. Group one is composed of 1 to 2 year olds; second group 3-4 year olds. Each grade in elementary school will compete separately, grades one through six; Junior High School, 7-9 and High School, including the band, grades 10-12. In each category one prize will be given the wearer of the most typical "Hallowe'en" costume, which will include a blue ribbon and a silver dollar; a red ribbon will be given for the most original; a white ribbon for the most typical of modern trend — space rockets and robots; a yellow ribbon will go to the wearer of the prettiest costume. For the entire parade, two overall prizes will be given: a gold ribbon for the most original and a silver ribbon for the "scariest" costume. Silver dollars for prizes are being donated by the Bank of Belle Glade. At Harris will act as master. (Continued On Page 8)

## If You Neglected To Re-Register

Take the DEED FOR YOUR PROPERTY to the polls with you on November 3rd as evidence that you are a freeholder. OR Take your tax receipt to the polls with you on November 3rd as evidence that you have paid a tax on real property. OR At the polling place on November 3rd, you may sign an affidavit indicating that you are a freeholder. This affidavit must include a legal description of the property, its location, or its address.

## Scout Troop 601 Enjoys Campout

Scouts of Troop 601 enjoyed a dry, cool weather while camping at Fiddling Creek this past weekend.

For exercise, the boys played football, swam and took two hikes.

Instruction was provided in knife and axe safety and in star identification.

Fellowship was evident at Saturday night's campfire and appreciation for the opportunity to take part in these wonderful activities was expressed during Sunday morning church service.

Sandwiches between these many events were good displays of pistol cooking.

Boys taking part in this outing were Charles Ruff, Brian Moore, Scott Berryhill, Steve Berryhill, Doug Wall, Ricky Roth, Billy Thibault, Steve Pate, Paul White and Leroy Miller. Adults in attendance were Scoutmaster Fred White, Assistant Scoutmaster Kenny Lutz and Committeeman, Chuck Haines.

## Fulton's Supporters Visit The Glades!

Robert Fulton with a convoy of automobiles from the Coast invaded the Glades Saturday looking for votes for the Democratic candidate for Supervisor of Instruction, Mrs. John Hooker is shown alongside the candidate, as an enthusiastic supporter. Mrs. Hooker knows Mr. Fulton as result of having had several children attend his school.

Page 2 THE HERALD, Belle Glade, Florida OCT. 29, 1964

## Pub. Luther Jones Band Parents Speaks To Lions Adopt Budget

In the enforced absence of Rep. Emmett S. Roberts, who was scheduled to speak to Belle Glade Lions Wednesday at their luncheon meeting, Luther Jones reviewed the thirteen constitutional amendments on which we must vote next Tuesday.

Jones, publisher of The Belle Glade Herald, recommended voting AGAINST the first amendment which attempts to give constitutional sanction to the existing apportionment formula of the Florida Legislature. He pointed out this formula is still highly discriminatory against this area. He also suggested a NO vote on Amendment 12, emphasizing we can get a better break on gas tax funds than the 1961 formula used to determine distribution of the two auto "second gas tax."

A discussion from the floor ensued his talk in which Jones told the group he favored a YES vote on all other eleven amendments.

An excellent turnout attended the first meeting of Belle Glade Band Parents held Tuesday night at the High School Band Room.

President Lee Berryhill, in charge of the meeting, presented the budget for the coming year which was adopted.

The amount needed to run the band this year is approximately \$8,800.00 most of which is raised through the sale of ads in the football programs.

"The cooperation and support of the people in our area is most commendable and we extend our sincere thanks to the people, businessmen and merchants who have supported the band both financially and otherwise."

Band Director Fred Stevens said the present Band Program involves 215 students, representing a large part of the school.

"Our band is indeed a credit to the High School and the City of Belle Glade," president Berryhill commented.

## Productive Soil, Ideal (Continued From Page 1)

there.

Near 1,300 acres of sugarcane on the Big B is for harvest by the Talsman mill across US No. 27. At the expiration of an existing lease on this sugarcane land, it will be converted into pasture as a part of the whole tract.

As a well-known figure in international trading of cattle Mr. Sanchez has been acquainted with the King Ranch, and the Kleberg family for over a quarter of a century.

However, acquaintanceship between Mr. Sanchez and Walter Beinecke, Jr., a leading figure in S & W Trade Stamps, led to the selection of a large tract of land on which Mr. Sanchez will return to his high regard for "Old Donkeys," descendants — Santa Gertrudis cattle.

"Monkey," a common-place name for a bull in the Twenties, has become an historical everyday subject of reference with cattlemen the world over — for "MONKEY" fathered the first and only native American strain of cattle, the Santa Gertrudis.

Monkey was among those crosses of Brahman and Shorthorns at the King Ranch in Texas, where an up-grading and crossing program had been in progress for years. Only Monkey of the group was able to sire a breed of cattle — Santa Gertrudis — that has remained constant in characteristics and true to type. This is an accepted American breed of cattle by associations, scientists and cattlemen, the world over.

Santa Gertrudis, in pure-bred herds, are found wherever economical beef production includes quality on the five continents of the world.

## Halloween Carnival (Continued From Page 1)

of ceremonies for the parade.

—Booths—

Mrs. Bea Wood is overall chairman of commercial participation.

Beta Sigma Phi Chapters are to be in charge of the sweet shop and coffee booth. Lions and Rotary members will have the hamburger stands. BFW Club the Hodge stand, and Red Hart the Fish Fry. Boy Scouts, the cold drinks and Belle Glade Nurses will pick up cold drink bottles.

There will be a Mad Hatter booth and Spook show. Charlie Crichtfield will provide the cotton candy stand and there will be popcorn and ice cream booths.

—Rides—

Mrs. Jane Evans is chairman of the rides committee, assisted by Mrs. E. O. Richey. There will be pony rides, donkey cart, small runs and hay rides on the football field and practice field under the direction of chairman Don Fishler and Garrie Curlee.

—Games—

Belle Glade Jaycees will have the Fish Pond; Civilians, the Ring Toss; Elks Club, Water Gun and Candies; American Legion and W. O. W. the Balloon Dart, 4-H Club, Cork Gun, and Belle Glade Police Benevolent Association the Rifle Shoot.

—Tickets—

Ticket chairman Herbert Chapman announces tickets for all activities will be available to children at one for 15c, 2-25c, 3-50c and 4-1.00.

Come out, visit your friends and neighbors and enjoy the Halloween activities. Proceeds are used for the benefit of YOUR child.

# Barry Goldwater speaks to the American Farmer

I PLEDGE TO YOU, as I have pledged before, that I will never propose a change in the price support program until something better has been developed that can be gradually substituted for it.

I PLEDGE, as I have pledged before, my whole-hearted support for cooperatives owned and operated by farmers, including rural electric and telephone facilities. I believe in a strong and healthy rural electrification program.

I PLEDGE, as I have pledged before, my unqualified support of the social security system. On this, my record is clear. I have voted in favor of every Social Security Act since entering the Senate. In fact, I had the opportunity of presiding over the United States Senate on the day the bill was approved bringing farmers under Social Security for the first time. And that change had my active support.

We must honor commitments already made by the federal government.

We must keep faith with those who have made plans and acquired property on the basis of those commitments. We must have the good sense to move slowly in making changes so that the citizens of this nation — and indeed, the economy itself — can make smooth adjustments, adjustments that will cause nobody harm. Above all, we must not scrap existing programs until we are sure we have something better to substitute for them.

I will never jerk the rug from under the American farmer. We must seek the best ways open to us to bridge the gap between the controlled agriculture we now have and the free agriculture we must move toward.

I will build that bridge with the aid of people who really know agriculture. My Secretary of Agriculture will be a man with experience in farming, a man who knows what it's like to plow a furrow and to have dirt on his hands. He will not be a defunct governor, trained as a city lawyer and looking for a political handout.

You and I know that a farmer can be helped without treating him like a child and telling him what to buy and what to pay and when to come in out of the rain.

Now, if there is one thing you and I know as well as our names, it is this: our nation is going in the wrong direction and far too fast. We are headed straight down

the road to socialism — and you know it. We must change that direction — and you know that too.

In fact, nobody knows this better than you do. In some instances you are now being told what crops to grow and not to grow, what acres to plant and not to plant, what records to keep and not to keep. And bureaucrats are flying helicopters over your land to check up on you.

What else have you been blessed with under this Administration?

Well, they dumped feed grains on your markets, forced down livestock prices, and then refused to do anything about a flood of meat dumped by foreigners. They manipulated your production and markets but did not control imports. In fact, meat imports since 1960 under this Administration have more than doubled. As if this were not enough, they tried to push through a program to subsidize grazing!

Does this make any sense to you?

Since July 1, the Freeman price-wrecking crew has engaged in a massive wheat dumping program. More than 136 million bushels of government-owned wheat have been sold to the private grain trade in direct competition with farmer marketings. There is no parity of treatment for the farmer when the U.S. Department of Agriculture itself becomes his competitor in the market place.

I know you will agree with me when I insist that farmers must be freed from the menacing control over their lives that is now being exercised by farm boss Freeman and his crew in Washington. And they must be freed from the cost-price squeeze being imposed on them.

Those skyscraper bureaucrats have figured out how to support everything but your families — and how to control everything except their own power. That just reaches beyond your farms to life itself. And so far the only control that's been successful is their control over your ability to get a fair return on your life's labor.

You and I know that a federal government that really cares about the farmers would be honest enough to stop trying to patch up a worn-out program — honest enough to look you straight in the eye and say it isn't working.

Well, I've given you straight and honest talk. Starting with this November let's get down to some straight and honest policies.

BARRY GOLDWATER, man from the West, participating in the Prescott, Ariz., Rodeo, July, 1964.

## Suncoast Conference Round-up

### Rams Are Climbing Up!

By Larry Bush

Week by week, one by one, the Suncoast Conference football teams are climbing up the Suncoast Conference football ladder. The Rams, who have been turned aside and it appears that a Thanksgiving Eve meeting between these two upstart powers will decide the championship.

First it was Vero Beach, champion last year with Belle Glade and a winner its first two games this season. But the Indians lost to Palm Beach, Forest Hill and Lake Worth on consecutive weekends before finally straightening themselves out last Friday to beat Riviera Beach 12-6.

Then came Seestre with victory and a tie in its first two conference games. But the Seahawks were bounced by Palm Beach a week ago. Still Seestre, impressive in its 52-0 rout of Fort Pierce last Friday, could cause Forest Hill problems when the two schools meet in Delray Beach November 15.

Last Friday Forest Hill eliminated Lake Worth 7-0. The Trojans had been beaten by Palm Beach in their opener, but had won four straight conference games to earn a challenge position in third place.

Both Forest Hill and Palm Beach have won five conference games this year. The Falcons also hold a non-conference victory over Cardinal Newman. Neither is expected to be upset this week Forest Hill is at home against Riviera Beach and Palm Beach travels to Fort Pierce.

In other conference games, Seestre is at Belle Glade and Stuart at Pahokee. Lake Worth and Vero Beach play non-conference games against Cardinal Newman and Cocoa, respectively.

The Trojans battled Forest Hill mercilessly through three quarters before more than 8,000 fans in Lake Worth Friday, but quarterback Ricky Rhoe, who had sat out the early part of the game with an ankle injury, came off the bench to direct a

### Conference Standings

Forest Hill	5	0
Palm Beach	5	0
Seestre	2	1
Lake Worth	2	0
Vero Beach	3	0
Belle Glade	2	0
Stuart	1	0
Riviera Beach	1	1
Fort Pierce	1	0
Pahokee	0	4

### Marchettes Win Trophys, Medals

#### In Baton Contest

The Belle Glade Marchettes left Saturday morning October 24, to participate in the 30-state Open National Baton Contest, an all day event held in Kalamazoo, Michigan that day.

The group was well represented with eighteen Marchettes and thirteen members, as well as chaperones, making the trip. Each girl performed individually, competing with winners from all over the state.

Those coming home winners were: Renee Jo Lane, 4th place medal; Patricia strating Pam Motes 3rd place medal in the Baton Solo; Cathy Battle, 2nd place medal in One Baton Solo; Pat Lane, 2nd place trophy in One Baton Solo and 3rd place medal in Fancy Strutting; Cathy Holton, 1st place trophy in Fancy Strutting; Tina Lockwood, 4th place trophy in Baton Solo; Jackie Lockhart, 1st place trophy in Fancy Strutting.

Although these girls weren't winners, they did Belle Glade proud with their performances. Debbie Lett, Cecilia Battle, Diane Russell, Cynthia Cunningham, Donna Hooks, Melanie Crews, Carol Jean Priest, LaRita Goforth, Pam Edens, Pam Busbin, and Caroline Atkinson.

Motley attending were Mrs. Lane, Mrs. Battle, Mrs. Russell, Mrs. Lockhart, Mrs. Cunningham, Mrs. Hooks, Mrs. Priest, Mrs. Goforth, Mrs. Edens, Mrs. Busbin, Mrs. Motes, Mrs. Holton, and Mrs. Crews.

Along with competing in the different contests over the state of Florida, the highlight of the season for the girls was the Baton Solo. When their instructor, Mrs. Rheta Cunningham, holds a contest here in January.

### Timmy Kinsman Gets New Eye

Young Timmy Kinsman, seriously injured in a car accident early this year, has been undergoing surgery periodically at St. Mary's Hospital.

This past week, the lad has his damaged right eye removed and replaced with an artificial eye. He was released from the hospital Monday, and wearing a "pirate's shield" was allowed to return to school Tuesday.

Timmy is the son of Mrs. Rocky Kinsman, formerly of Belle Glade. They now reside in West Palm Beach, adjacent to St. Mary's Hospital.

Beginns Nov. 9

### Mrs. Clara M. Sellers Selected As Enumerator For Agricultural Census

Mrs. Clara M. Sellers of 1100 SW 16th St., in Belle Glade, has been selected as the enumerator for the Glades area for the 1965 agricultural census that begins November 8th.

John Hooker, census bureau leader, announced the selection during a meeting with the Glades office that was held Monday morning at the Glades Office Building here.

There were five applicants for the post — all women — who were given the examination by Hooker.

The Agriculture census is prepared under the supervision of the Department of Commerce. In the six county area, there will be 12 enumerators. The counties in this section include Palm Beach, Martin, Hendry, Glades, Lee and Collier. Three enumerators will be named from the east coast area of this county, according to Hooker.

Each farmer in the area will be sent a questionnaire by mail that should be answered to the best of the respondent. Hooker said there is a federal law making it compulsory to

answer the questions faithfully, although it has not known to be enforced.

All of the information that is contained in the blank sent out by the federal government is kept in strict confidence, and the information that is reported by the farmer is not available to any other governmental agencies.

The completed questionnaires are to be kept by the farm, pending arrival of the enumerators, who will then attempt to answer any questions that may have arisen.

The farm census is taken every five years. From the information gathered, the government then bases its disbursement of federal funds where needed.

Farmers who do not, receive the proper form, may request one from Hooker by asking for form A-1. Hooker resides at 1700 W. Lake Road in Belle Glade.

### 4-H NEWS

The Pixie 4-H Club met October 22, 1964 with all eight members present. Some of the girls sewed their skirts, or covered their sewing boxes.

The Halcyon Party Committee finished planning the party for next week. A prize will be given for the best costume.

Marion Morris, Kim Bass, Pat Roberts, Mary Lee, Dixie Hickman and Janice Smith each gave a demonstration on fixing different raw vegetables for a relish. When they were finished, we ate the results.

We played Beanie records and danced afterwards.

The Glades Gremlins had their regular meeting in the Junior High Home Economics building at 4:00.

Three new members, Sandy Winterrowd, Margy Chapman, and Jackie Baughman, all in their 4th year of 4-H attended. There was a total of nine members and two leaders, Mrs. Lawrence Lee and Mrs. Alfred White.

The club worked on sachets and His and Her fly swatters.

## HDC Members Prepare Tasty Foods To Aid USDA Food Handout Program

The Palm Beach County surplus food Welfare staff and the Belle Glade Home Extension Service work closely together in handing out surplus food to Glades people.

You can make a little food go a long way and you can make many tasty food dishes if you will take time to learn how.

This point has been proved over and over 4 months by members of Glades Home Demonstration Clubs with the help of the Palm Beach County Home Economics program.

Working with the County Welfare Agency who have charge of distribution of food surpluses received by the

County from the United States Department of Agriculture, the 1964 Home Demonstration Club headed by Mrs. F. C. Fessenden, President and Mrs. Ne-

well Gaskill, Food and Nutrition chairman of the Palm Beach County, and assisted by Mrs. Della Altman Mrs. J. K. Fortum, Mrs. Madison W. Sind-

les, Mrs. Stuart B. Fuller and Mrs. A. H. Zumpf, all of Belle Glade along with the cooperation and help of Mrs. June Street and Mrs. Marylou Shiraz,

assistant Extension Home Economist from West Palm Beach, these ladies have, for the last 4 months, been handing out tasty dishes of prepared foods made from the surplus items given to Glades welfare people.

Two huge tables, loaded with foods already prepared, some of which is hot are set up and made ready before the people line up to receive their items from those in charge of distribution. As the long line is formed and passes by, these ladies hand out plates of prepared food, all made from the items being handed out. They explain or give recipes on just how these dishes are prepared.

This program by these ladies is to help those who receive USDA surplus food to better prepare and use these food items.

There are some 7,000 people in Palm Beach County, of which 2,000 are in the Glades area, who are given food supplies by the County each month. This food is given to the County by the United States Department of Agriculture.

This surplus food is shipped to West Palm Beach where it is stored in warehouses and distributed over the county from there.

In the past about 1,600 people in the county received these surplus foods, but this number has grown considerably over the past year.

Mr. George Henderson of the Palm Beach County Welfare Department has charge of all surplus foods and its distribution. He and his aids come to Belle Glade once a month to the Armory where distribution is made to Glades people on the welfare rolls.

All who receive these supplies have been checked and cleared by Welfare workers and given food certificates. Clearance for these certificates in this area are made by Mrs. W. Alley of Pahokee thru State Welfare workers.

There are 12 different foods supplied by the USDA and include the following: beans, butter, flour, corn meal, cheese, land, canned beef, (some weeks) canned pork, dry milk, peanut butter, rice, rolled wheat and fruit.

The food is of good quality and well packaged. As each person passes a check point his or her name has already been put on a card and a prepared list of just what and how much, is handed to the person for signature. As the person passes down the long table the different items are put into the burlap baskets, wash tubs, or boxes brought by the people to the armory for that purpose.

No estimate was given as to just how many tons of surplus food is given each month in Palm Beach County.

The United States Department of Agriculture also supplies schools throughout the nation with surplus food items for the school lunch program.

### R. D. Cooper Leaves Glades Livestock Mkt.

R. D. Cooper who has been connected for the past 14 years with the Glades Livestock Market, has decided to leave the market in this area, resigned last week and will move to Immokalee, Florida.

Cooper, who is well known to cattlemen all over the state, has purchased a slaughter house in Immokalee and will run a retail meat store in that town. He plans to specialize in custom kill and preparation for home freezer.

Along with competing in the different contests over the state of Florida, the highlight of the season for the girls was the Baton Solo. When their instructor, Mrs. Rheta Cunningham, holds a contest here in January.

The Glades Livestock Market, has been leased by Peter Clemons of Okeechobee. Clemons has been active in the cattle industry in Florida for several years and is also well known to cattlemen throughout the state. He is manager and part owner of the Livestock Market in Okeechobee.

The new management will hold its first sales next Monday, November 2.

"We will continue the same policies at Belle Glade which have proven outstandingly successful in the operation of the Okeechobee Livestock," said Mr. Clemons in discussing the new venture.

Dr. Howard Hill president of the Glades Livestock Market Association will make an official announcement to the members of the Association in the near future. "In leaving the state," he continued, "We expect to build the best possible market organization possible in the Glades."

"We look forward with enthusiasm to the challenging opportunity which lies ahead of us," he continued. "We expect to build the best possible market organization possible in the Glades."

Mr. Kelley Hayes will be the new auctioneer. Mr. Hayes is not new to the Glades and has been the auctioneer at Okeechobee for several years.

"We look forward with enthusiasm to the challenging opportunity which lies ahead of us," he continued. "We expect to build the best possible market organization possible in the Glades."

All of the sugar cane growing areas in the state were represented and the attendance of this year's postponed and abbreviated field day was much greater than at the first session.

### Keep Belle Glade Clean

The postmen and abbreviated Sugar Cane Field day drew 150 persons last Thursday at the Experimental Station here in Belle Glade.

Dr. W. T. Forsee, Jr., welcomed the visitors and Associate County Agent John H. Causey presided over the discussion on sugar cane research that followed.

Among those present was David Jones, an assistant agronomist at the Gainesville headquarters of the Agricultural Extension Service.

Growers and those interested in cane from a commercial angle heard staff members at the Experimental Station explain what is being done here to improve cane and combat any plant disease that may affect the sugar cane crop.

The wet weather accompanying the Hurricane last week necessitated the cancelling of a

planned tour of herbicide plots at the Okeechobee plantation. Another trip planned at the South Florida Sugar Corp. was also called off as was a planned Dutch treat luncheon.

The discussion session was held in the old livestock pavilion located north of the station on State Road 80.

All of the sugar cane growing areas in the state were represented and the attendance of this year's postponed and abbreviated field day was much greater than at the first session.

Mr. Kelley Hayes will be the new auctioneer. Mr. Hayes is not new to the Glades and has been the auctioneer at Okeechobee for several years.

"We look forward with enthusiasm to the challenging opportunity which lies ahead of us," he continued. "We expect to build the best possible market organization possible in the Glades."

All of the sugar cane growing areas in the state were represented and the attendance of this year's postponed and abbreviated field day was much greater than at the first session.

### Cardiac Care

## Educational Films To Be Shown At Civic Center In Belle Glade

A cardiac care course called "Winning Hearts for Health" presented by the Heart Association of Palm Beach County on Nov. 19th and 19th at 7:30 p.m. The public is invited to attend at the Civic Center in Belle Glade.

This is a free educational program on home care and rehabilitation of the stroke and cardiac patient. It is sponsored by the Hospital Auxiliary of the Glades General Hospital.

Dr. J. Allen Baker will present the first course on coronary heart disease and strokes. Two films will also be shown on these subjects. Dr. Baker will answer questions on heart disease at the end of the program. This program is on Nov. 19th at 7:30 at the Civic Center. The public is invited.

A new concept of home nursing care of the cardiac and stroke patient will be presented Nov. 19th at 7:30 by Miss Julia Hampton, Glades Area Public Health Nurse Supervisor, at the Civic Center.

Slides on "Stroke and Convalescent Care" will be shown. In the past we have done for the patient rather than help the patient do for himself. Various methods will be discussed in which the patient can be helped to help himself.

Demonstration and use of wheel chairs and other equipment by a stroke patient will be shown, also the film "Road Back Convalescence, Occupational therapy, and rehabilitation of

the stroke patient will be discussed. Everyone is invited to attend.

## Six Initiated, Awards Given To Cub Scouts

NEW CUB SCOUTS — Lee Pittman, James Conway, Bryce Talley, Back Row — Reg Caruthers, Tony Martinez and Dennis Klinkaw.

Six new Cub Scouts were initiated into Pack 622 when the group held their October Pack meeting Saturday evening in the ladies parlor of the Community Methodist Church.

The boys, who were inducted as Robert Cub Scouts by Dr. Herb Chapman, Cubmaster, were Reginald Caruthers, Tony Martinez, Dennis Klinkaw, Lee Pittman, James Conway and Bryce Talley.

Advancement awards were presented by Cubmaster Chapman and assistant, Cubmaster Frank Thomas. Pat Miner received his Wolf badge and Gold Arrow point; Ray Miner and Bruce Wells received Bear badges with gold and silver arrow points; Bubba Ward, Howell McCall and Bobby Bradstock received their Lion badges. David Goodlett and Charles Hall received Gold and Silver Arrow points and Tommy Ziglar a Silver point.

Dens one and seven tied for first place attendance awards, with Dens 6 and 4 taking second and third.

Den Six presented a puppet show with a physical fitness theme — "It's best not to brag but to stay in shape."

## New Schedule

### Of Masses At Catholic Church

The New Schedule of Sunday Masses at St. Philip Benizi Catholic Church is as follows: 7:00, 10:30 and 12 noon. The mid-day mass will be said by a Spanish-speaking Padre who will also preach a sermon in Spanish.

This schedule is effective as from Sunday, November 1.

## ALL SOULS DAY

Monday, November 2, is observed by Catholics as a Commemorative Day for All Souls. Even though this is not a holiday of obligation, it is customary to attend Mass and pray for the poor Souls. All Souls Day Masses in Belle Glade will be at 7:00, 10:30 a. m. and an evening Mass at 8:00 p. m.

## THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Acts 9:17-28

Barnabas took him (Saul), and brought him to the apostles, and declared to them how on the road he had seen the Lord, who spoke to him, and how at Damascus he had preached boldly in the name of Jesus.

—Acts 9:27 (rev)

One day a friend showed me a small box. Miss immediately came from it when I turned a knob. "A miracle," I said. My friend laughed, "No miracle, just a transistor radio."

We are so clever today that we can destroy a whole city with one bomb, send rockets to the moon, produce fresh water from salt water. Few things appear to be miracles now.

The dictionary says that a miracle is caused by a supernatural agency. Now if everything we did were kind, if everything we thought were pure and good, and if everything we said were helpful and loving, would that not be a miracle?

Jesus works such a miracle. If we allow Him to rule in our lives, we begin to live with a purpose. If we give Jesus Christ the chance, He works His miracle in us.

PRAYER: Loving Father, today work a miracle of love in my life and give me the grace to think purely and to act lovingly. Through Jesus Christ, Thy Son and our Savior, Amen.

## THOUGHT FOR THE DAY

Unless there is the miracle of redeeming love in my life, the world will not believe in my Savior.

Eric R. Eastwood (New Zealand)

## Two New Ruling Elders Elected In Everglades Presbyterian Church

Messrs. Edward B. McDaniel and Joseph W. McIlwain have been elected Ruling Elders in the Everglades Presbyterian Church. These men will be ordained to this office and seated with the Session of the church. Their term of office is for three years and will commence on January 1, 1965.

Mr. McDaniel is president of the bank of Belle Glade. He has been affiliated with the Everglades Presbyterian Church since he and his family have lived in this community. Before coming to Belle Glade he was active in the Orange Park, Florida Presbyterian Church and served on the Board of Deacons of that congregation.

Mr. McIlwain is a teacher in the Palm Beach County public school system. He resides in Pahokee and teaches at the Pahokee High School. Prior to his election to Ruling Elder he served the Board of Deacons of the Everglades Presbyterian Church. Mrs. McIlwain serves as chairman of Circle 4 of the Women of the Church.

The Session, the ruling body of the local level in the Presbyterian Church, will begin the year 1965 with the following Ruling Elders: Mr. C. E. Critchfield and Mr. C. B. McClure, Mr. Urban Felsing, Mr. David Motes, Mr. E. B. McDaniel, and Mr. Joseph W. McIlwain. These men along with the minister, the Reverend J. Paul Vandrak, are charged with the general oversight of the congregation. Members of the Session are eligible to represent the Everglades Presbyterian Church at the quarterly meetings of the Synod of Florida of the Presbyterian Church, U.S. and the annual General Assembly of the denomination.

Pastor R. Y. Roseman presented the report, based on St. Paul's letter to the Romans.

## QUICKIE RECIPE OF THE WEEK

### Cole Salad Dressing

A tasty sour cream dressing for cole slaw can be made by combining 1 cup dairy cream, 2 tablespoons vinegar, 1 tablespoon lemon juice, 2 tablespoons sugar, 1 teaspoon salt, 1/2 teaspoon celery seed, 1 pimiento cut in slivers and pepper, poprika and mustard to taste. Makes 1 1/2 cups dressing.

## November 2 Set As Day of Prayer

The Women's Missionary Society of the First Baptist Church of South Bay are cooperating with other Baptist women of the world, through the Baptist World Alliance, by setting aside Monday, November 2, as Baptist Women's Day of Prayer.

Prayer has been set up by the Prayer Chairman of the South Bay-First Baptist Church that women may come and pray in the prayer room anytime from 9:00 a. m. 'til 5:00 p. m. at the church on Monday, November 2nd.

The European Baptist women started this prayer movement in 1948 to mend the heartbreak of war through spiritual communion. The Baptist Women's Day of Prayer was first adopted at Cleveland in 1950 at the observance, and year by year more women have participated, until now the day holds great significance and power.

No sincere Christian confronts a world in crisis and the promise of God, "Where two or three are gathered in my name there am I in the midst of them."

The Mary-Ruth Circle will be the circle count and the chairman, Mrs. N. T. Taylor, requests the pin to wear for the next month.

## Palm-Lake Baptists Note Gain

The twenty-seven churches and five missions that comprise the Palm-Lake Baptist Association, held its annual meeting last week in the First Baptist Church, Lantana, and the First Baptist Church, West Palm Beach. Sessions released by Mr. William Cox, Clerk of the Association, reveal noticeable gain in several areas.

Church membership in the affiliate churches total 15,456, a gain of 1,905 over 1963. Baptisms reported by the churches were 785, which was also a slight gain over the previous year. The Sunday School enrollment reached 13,856 which was an all-time high. 3,700 members are enrolled in the Training Union of the affiliate churches. The Woman's Missionary Union, an organization for Baptist women in the churches, showed a total enrollment of 2,325 while the men's group reported an enrollment of 1,105.

Total contributions from all churches amounted to \$1,389,103.00, of which \$129,375 was channeled into world missions outside the local area.

Victory Baptist Church, west of Lake Worth and the Epworth Baptist Church in the Jupiter area, were received into membership, bringing the total to 29 churches and five missions of the affiliate churches. A recommendation by the special committee on a Baptist Junior College in the West Palm Beach area was accepted. This recommendation will now be passed on to the Florida Baptist Convention when it meets in annual session November 9-12th in Tampa, Florida. The recommendation was that the Florida Baptist Convention accept 200 acres of land in the North Palm Beach area, located adjacent to the OGA Golf course, as the site upon which to build a Junior College in the future. It also means that the local Baptists from Ft. Pierce down to and including Miami, will go on record as being willing to raise one and a half million dollars within the next three years or sooner, to assist in the construction of the necessary buildings and having on hand the necessary capital to operate the college for at least one year. The Florida Baptist Convention's Education Committee will be charged with the responsibility of constructing the college buildings and also will serve as the agency of operation. The report submitted by the FIRST BAPTIST CHURCH of Belle Glade to the Association revealed the following statistics relative to the First Baptist Church of Belle Glade. Total church membership, 1,221, a gain of 72 over the previous year. 62 baptisms were reported with 51 others joining from other churches by transfer of membership. The Sunday School enrollment is 839 and the men's group reported a attendance of 418. Training Union enrollment stands at 247. The Women's Missionary Union enrollment is 246. The men's enrollment is 246. The men's organization has an enrollment of 23. Total contributions to all causes of the church amounted to \$66,540.00.

## Church of Christ News

GOSPEL MEETING: Good singing, preaching and attendance characterized the week of October 21-23. For members were restored during the meeting and two last Wednesday night services. The radio station, WSWN, and the BELLE GLADE HERALD for helping advertise this special endeavor.

## GLADES CHURCH NEWS....

### Joint Reformation Rally To Be Held By Lutherans

On Sunday, the 1st of November, St. Peter's Lutheran Church of Belle Glade will participate with the other Lutheran Churches of the Palm Beach Circuit at a joint Reformation Rally. The Rally will be held at Trinity Church in Ft. Pierce. Time of the services is set at 3:30 p. m. Participating in the Mass Choir for a special anthem will be the Choir of St. Peter's Church at 1:30 p. m.

All people in the Glades area are asked to attend this service. The Reformation marks the four hundredth anniversary of Martin Luther's 95 Theses on the Castle Church door in Wittenberg, Germany. This event in turn, was the spark that set off the Protestant Reformation.

### Fellowship Session Precedes Service

The Session of the Everglades Presbyterian Church, through the clerk, Charles Critchfield, announces two changes in the life and work of the local congregation. The Church School now meets from 9:30-10:30 each Sunday morning. This is a change from the former meeting time of 9:45-10:45.

The other change in an innovation with the congregation. A period of informal fellowship from 10:30-10:50 before the usual Sunday morning Worship Service is now "the order of the day." During this twenty minute period members of the church, their friends, and visitors to the services are encouraged to meet informally in the fellowship hall and its adjacent portico to enjoy a cup of coffee and a sweet snack.

## Omicron Chapter Members Hear Lecture On Birds

Mrs. Pauline Boydston was the speaker at the Omicron Chapter, Sigma Eta Sorority, Fine Arts, Inc., at her home, at its regular October business meeting.

After the business meeting, the members were privileged to hear a lecture on birds by Mrs. Clarence Tilton.

Mrs. Tilton employed many beautiful bird pictures, some of which she herself had painted. Her contribution to the program was very much appreciated.

Delicious refreshments of pound cake and punch were served by Mrs. Boydston to the following members and guests: Mrs. Howard Burdine, Mrs. M. Lutz, Mrs. Edward Kane, Mrs. Ruth Kirkman, Mrs. William Masonic, Mrs. Luther Jones, Mrs. Ray Whitlock, Mrs. Edna Barrett, Mrs. Frank L. Anderson, Mrs. Harold Lotis, Mrs. Alice A. King and Mrs. Kathleen Tilton.

Business meetings in the future will be held on the second Tuesday evening of each month. It is hoped that all members will be able to attend.

## Rebekahs Honor Honor by Rebekahs

A Banquet was held honoring the State President of the Rebekah Assembly of Florida, Attie Gardner, at the Belle Rebekah Lodge No. 21 meeting Tuesday night, October 20, with Noble Grand Dorothy Rogers presiding.

The tables were beautifully decorated with the president's favorite flowers, yellow roses and dogwood. The hall decorations were carried out in her colors of yellow and brown.

A skit was put on by the members of Belle 21, entitled "My Birthday Gift."

The president gave a very interesting talk of Rebekah and Old Fellowship.

Other officers visiting included: Mrs. Meslin Pashon, Mrs. Kerner, District Deputy President Maya Dees and Thelma Davidson, P. M. of the State of Florida.

There were other visiting brothers and sisters from Gardena and Hibiscus Lodges of West Palm Beach, as well as Clewiston and Jacksonville.

After the meeting coffee and cake were served by sisters, Alice Neils and Ruth Mock. The next regular meeting will be held Tuesday night, November 3, 8 p. m. at the Civic Center.

## Building Program Discussed By Library Board

The Belle Glade Public Library Board discussed its program for a new library building at its monthly meeting, held Thursday, October 22.

Mrs. J. R. Orsenigo reported on the Regional Library meeting held in West Palm Beach at the Public Library October 12.

Mrs. Harris, librarian and Mrs. Burdine, assistant librarian, also attended this meeting.

The board will hold its next meeting November 18, at 8 p. m.

## New Rainbow Girls - Cheryl Smith, Joan Taylor and Diane Ward

## Pelkas Return From 3 Months Visit Abroad

Mr. and Mrs. Berthold Pelka, their granddaughter, Caroline and nieces Nels Volk and Gudrun Alford are back home after a three months' vacation abroad, visiting in Germany, Austria, Denmark and Switzerland.

The Pelkas are originally from Germany but came to the United States in 1926 living in New York for 18 years and have been in the Glades now for 20 years, operating their well known restaurant in South Bay.

Mr. and Mrs. Pelka visited in their former home Neumuenster-Hostein with nieces and cousins and an 80 year old aunt. The aunt is the only living relative of his immediate family living, Mr. Pelka said, and "going home isn't at all like it used to be."

In Poxberg, Germany they visited Mrs. Pelka's two sisters, Louise and Gudrun, who went on to spend their time with their parents and their sister and family in Gruenewort.

Commenting on the changes in his native country, Mr. Pelka said "folks drive like crazy there now... prices are sky high and everything on credit the same as here. He said there is a terrific labor shortage in Germany despite the importation of workers from Turkey, Greece, Italy and Spain.

Switzerland is still a wonderful place to be... in fact the Pelkas would like to divide their time after retirement between Germany and the United States.

They made the trip aboard the Hanseatic steamer and encountered three days of rough weather returning home when everyone was seasick.

Mrs. Pelka injured her leg while in Germany, and arriving home found she must be hospitalized for treatment and possible surgery. Because of this the reopening date of their restaurant is a bit indefinite, Pelka said.

## Medics Initiate New Members

At a former meeting of officers, plans were made to initiate 30 new members into the Para Medics Club. The officers voted to hold a pot luck supper which was held on October 20.

The pot luck supper was given by both old and new members. Mr. Roy Litchfield, guest, gave grace before the dinner.

Joyce Morris and "Mickey" Marotta gave reports on "Flower Nightingales" and "Louis Pasteur." Jo Ellen Hudspeth, Diane Lutz, and Sue Morris presented the creed before the group.

Caps and pins made by the officers were presented to the new members and were worn the following day at school.

After the supper, a business meeting was held to discuss money-making projects.

## Please Come! Community Musical Talent Meeting Tonight At 7:30

Musical talent in the Glades begins begging for performance outlet while the entire area needs and deserves up-grade entertainment.

Mrs. Dorothea Ingram and Bill Ferguson, some time back, united their efforts to do something about it. Their plans took a back seat and lagged temporarily when production of the Glades Follies got underway.

This musical, however, Mrs. Ingram said, "brought out more emphatically the vast amount of talent not being fully utilized in our area. We are now even more enthusiastic about our program," she added.

A meeting is scheduled for tonight at the Civic Center, 7:30, to get organized and going.

The entire Glades Follies cast is given a special invitation to be present as well as all others interested in this type of program.

## Officers Attend BPW State Board In Clearwater

Mrs. Rosa Nash, District Director of Business and Professional Women of District 8, Mrs. Kathleen Rogers, President of Belle Glade Business and Professional Women Club and Junia Croft attended the State Board meeting October 25, 24 and 25 in Clearwater, Florida held at the Jack Tar Hotel and Motor Lodge.

A business meeting was held Friday for all State Directors and for the evening entertained an old fashioned Chuck Wagon Barbecue was held at the pool of the Hotel.

Business meetings were held all day Saturday for the Directors, Presidents and members present. There were 379 present for this meeting.

Highlight of the meeting was held Saturday night in the Harrison Room of the Hotel when everyone attended the Banquet.

Monday morning was mostly given in devotional and a very brief meeting to say goodbyes.

## BPW Finalize Plans For Bosses' Night

Final plans for Business and Professional Women's annual Bosses' Night dinner, to be held this Thursday night, 7 p. m., at the Glades Municipal Country Belle Glade Municipal Country, were completed at a special meeting of the Club held Tuesday night at the home of Mrs. Ronald Jones.

Fifteen members attended, making last minute plans for the operation of their Hot Dog Booth at the Halloween Carnival Saturday night, as well as their visit last week to the Clearwater where they attended the State Board meeting.

## Mrs. Lee Cranford Antoinette Bratley Circle Hostess

The Antoinette Bratley Circle of the Woman's Society of Christian Service was held at the home of Mrs. Lee Cranford on October 20.

Mrs. A. R. Miner presented the program entitled "Call to Prayer and Self Denial," assisted by Mrs. Curtis Thompson, Mrs. James Dooley, Mrs. Phillip Dulaney, Mrs. Larry Royal, and Mrs. Cranford.

Mrs. Milton Carpenter presented the devotion. Mr. Lee Burke, called the meeting to order, and asked for voluntary reports. Mrs. Carpenter announced that Quiet Day will be held at the Church Friday, October 26, from 10:00 a. m. to 12:00 noon.

Each member brought sewing projects and suggestions to be given to the Mental Hospital in Hollywood.

Other members present were Mrs. Richard Hodges, Mrs. Bert Creech, Jr. and Mrs. Horace Harris.

## Mrs. E. J. Miller Surprised With Birthday Dinner

Mrs. E. J. (Mary) Miller was surprised with a birthday party given in her honor by her husband last Wednesday night at the Pains Club.

An attractive serving table decorated with birds of paradise held an array of tempting hors d'oeuvres.

A full course steak dinner was served. The dinner table was centered with a floral arrangement of red roses and white carnations, a gift of the Ercel Mixson.

Guests included Mr. and Mrs. Harold Rabin, Mr. and Mrs. Robert Wynn, Mr. and Mrs. Jack Kaufman, Mr. and Mrs. Charles Cox, Mr. and Mrs. Ercel Mixson, Mr. and Mrs. Jack Rabin, Mr. and Mrs. Ed Hart, Mr. and Mrs. Bill Blackwell, Mr. and Mrs. Ed Motes, Mr. and Mrs. Frank Miller, Mr. and Mrs. Junior Dean, Mr. and Mrs. Jim Wood, Mrs. Loraine Paulos, Mr. Red Gurkin, Mrs. Jane Kian jae, Mr. Ned Elsbrey, Mr. and Mrs. Willis, Mr. Harold Shriver, Mr. and Mrs. James McNeill, Mr. Edwin Prevatt, Mr. John Miller, and Mrs. Jacquelyn Miller.

Dancing was enjoyed by all following the dinner.

## Garden Club Has District Director As Guest Today

The Belle Glade Garden Club welcomes Mrs. Butler, District Director of the Garden Club, as guest at their meeting today at 1 p. m. in the Clubhouse at Macdonald.

The charming and interesting Mrs. Butler will hold a workshop, and each is asked to bring a sea grape or banana leaves for use in making their own arrangement.

The many friends of Mr. and Mrs. Wayne Carter will be happy to hear that their son, Brian, has been released from the hospital and is doing fine after his surgery.

## Kinard-Cobb Wedding Saturday

The marriage of Miss Julie Ann Kinard, Pahoek to Buck Cobb of South Bay, will be solemnized at the Church of God in Hollywood, Pahoek, at 5 o'clock Saturday afternoon, October 24.

Friends of the couple are invited to attend the wedding and the reception which will be held at the Woman's Club.

## 23 Glades Law Men In Security Guard For President

President Johnson was under top protection when he visited Boca Raton Sunday, where he spoke at Florida Atlantic University on his way to Miami.

Glades people can vouch for this when it became known that eight deputy sheriffs and 15 auxiliary men assigned to the Glades detachment of the sheriff's office were called upon to take part in security measures for the President.

The Glades men were under the command of Lt. L. O. J. Senecal. They were assigned to assist secret service and other law enforcement officers in propering with traffic control.

All available law enforcement officers of a three-county area were assigned to the routes covered by the presidential caravan which enroute from the Ft. Lauderdale airport to the Florida Atlantic University.

Prior to the arrival of the president, the buildings on the campus were checked and several of the guards posted atop the new structures were from the Glades area.

A check of the Sunshine Skyway route taken by the presidential party found Florida highway patrol troopers, sheriff's deputies and police from the various cities and towns posted on all overpasses and at strategic intersections.

## Personal Notes

Mr. and Mrs. James Bowen, daughters, Nancy and Dorine and Miss Lynn Broome left Thursday afternoon to make a motor trip to see Northeastern Oklahoma play against Marion Institute. Along the way Nancy was left to visit with Johnnie Bass, who is stationed in Augusta, Georgia. Some distance further Lynn was left to visit her grandparents in Ozark, Alabama, and after that Mr. and Mrs. Bowen and Dorine continued on to see Tommie Close play in the game against Oklahoma.

After visiting and winning the game 31 to 13 everyone was ready to return to Belle Glade arriving late here Sunday.

Mr. and Mrs. Herman Close and sons, Stephen and Charles left Thursday to see their son Tommie play in the Northeastern Oklahoma game against Marion Institute. They returned late Sunday evening.

Ladies, mark the date on your calendar... you won't want to miss the combined Fashion Talent Show to be presented next Thursday, November 5, at the Civic Center, beginning at 1:00 p. m.

Proceeds from this event, which is presented by the Woman's Club of Belle Glade, will go to the Club's Scholarship Fund and to Belle Glade Public Library.

Models will be wearing the new fall look in fashions from the Red Shutter.

The Talent Show will feature several of our Glades top performers... many you enjoyed in the recent Glades Follies production.

In charge of the benefit performance are Mrs. Guy D. Wood Jr., Mrs. Terry Miller, Mrs. Ted Daniels, Mrs. Murray Weeks, Mrs. Carl Cone and Mrs. Bob Lee.

## "Sweet 16" Party Joyful Surprise For Brenda Prevatt

The newly decorated American Legion Home was the scene of a Sweet Sixteen birthday party Saturday its complementing Brenda Prevatt, daughter of Mr. and Mrs. Edwin Prevatt.

Kept as a complete surprise from the honoree, the young lady experienced a bit of difficulty persuading her football banquet date, Riley Foster, to attend the party which Brenda's invitation informed was for one of her friends.

When the orchestra played "Happy Birthday To You" on her arrival she was completely surprised.

The hall was festive in Halloween theme, decorated with black and orange paper streamers, spiders, witches, cats and pumpkins pinned to the drapes. Balloons were hung from the ceiling from an array of paper streamers.

Working on the decorating committee were Pat Fehler, Ferrell Jackson, Kathy Barron, Jimmy Jackson, Connie Van Camp and Pat Vaughan.

The party was given by Brenda's mother and her grandmother, Mrs. Jack Miller, who had engaged the Delcours Orchestra from Ft. Lauderdale to play for the dancing.

The sweet sixteen honoree was presented with a pink or so one of her gifts.

A two tiered birthday cake and sheet cakes were decorated in Halloween design, and were served with punch.

Brenda received many lovely gifts from the 250 friends who attended and all had a most enjoyable evening.

## Don't Miss It! Talent-Fashion Show Nov. 5th

Mrs. and Mrs. Milton Douglas of Pahoek announce the marriage of their daughter, Linda, to Paul D. Dixon, son of Mrs. Charles Zell of Orlando.

The marriage was solemnized October 23, in Folkston, Georgia. Linda was a senior in Pahoek High School and Paul a graduate of the 1963 class of Pahoek.

Paul is an employee of the Bryant Sugar Mill and the young couple are now living in Canal Point.

## Birthday Party For Davine Watson

Mr. and Mrs. R. E. Watson entertained their daughter, Davine, last Saturday evening October 24th, with a surprise birthday dinner at the Palms Club. The party was in honor of Davine's 18th birthday.

The guest were seated at a beautifully decorated table with candles and a three tier cake. At each place setting match books with Davine's name were for the guest to take as a fond remembrance of this wonderful dinner. After Davine opened her birthday gifts the guests were served a chicken dinner with all the trimmings.

Guest for the dinner were: Lars Livingston, Gerald Watson, Billie Graber, Cecelia Matheson, Bill Miller, John Lee Henderson, Norma Burns, Janet Connell, Jim Challance, Ernest Amodee, Lela Poston, Patricia Williams, Richa Kruse, Gary Clark, Tanya Croft, Sheila Watson and Steve McWhorter.

## BIRTHS

Oct. 16 - Mr. and Mrs. Thomas J. Quirk, Lake Worth, announce the birth of a daughter, Colleen Patricia, at St. Mary's Hospital weight 7 lbs., 12 ounces. Mrs. Quirk is the former Esther Greer. Maternal grandparents are Mr. and Mrs. Fred Bell. Paternal grandparents are Mr. and Mrs. Thomas Quirk, Lake Worth.

### Qualified For National Competition

**Martha Brane**, Belle Glade, qualified for the National Bowling Proprietors National All-Star tournament to be held in Philadelphia in January when she finished second in the women's state division competition at Sunny Isle Bowl, North Miami Beach, last Sunday.

Mrs. Brane was one of the three Palm Beach County bowlers who will represent Florida in National All-Star competition.

Mrs. Brane rolled eight strikes in a row in the first game of the final matches and ended up with a 265 game. She also had high average for the women with 192.

The women's state championship went to Judy Crickenberger of Naples by a five and one-half point margin.

### Poverty And Union Programs Promoted Despite Nationwide Labor Shortages

Labor Unions have found aggressive bureaucrats in Washington willing and able to implement their policy of NO IMPORTED LABOR, despite the need by agriculture from Colorado west, and of Florida's dependence on British labor in citrus, vegetables and sugar cane.

Already implemented is an idealistic so-called poverty program for folks who haven't any jobs in their own communities. Of course a suggestion that these potential recipients of benefits of the "poverty program" be induced to help harvest foodstuffs already grown wouldn't bring in many votes from these folks.

Now, Florida's Commissioner of Agriculture, Doyle Conner, in a current report says:

American fruit and vegetable growers, including those in Florida, have been deeply concerned about labor shortages unless adequate numbers of foreign workers can be obtained when needed.

I was interested, therefore, to note that steel firms in the Chicago area have become so active in recent months that two of the industry's largest companies have started a widespread drive for skilled workers.

### Hi Grads And Seniors Eligible For NROTC Qualifying Exams

High school seniors and graduates have only until November 20 to apply for the Navy's Reserve Officer Training Corps. Applicants will take the nationwide competitive examination on December 12 as the first step toward an appointment as midshipman.

Designed to supplement the

officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at one of the 52 civilian colleges which had an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives a stipend of \$50.00 per month for not more than four years. During the summer the student goes on an interesting training cruise to many parts of the world. After completing a four-year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a career officer. He receives the same promotional opportunities, duty assignments and benefits as Navy Academy graduates.

High school seniors and graduates who will be at least 17 but not 21 years of age on 30

# WHAT PRICE EDUCATION FOR 74,000 CHILDREN!

**WHAT 20¢ PER MONTH WILL BUY IN FUTURE EDUCATION**

- Because of litigation and controversy, the 20 mills recommended by the Board of Public Instruction to provide buildings, classrooms and facilities were not levied. The current millage is only enough for immediate needs of our schools. The capital improvements made possible by this \$26,750,000 bond issue will help meet the recommendations of the State Department of Education Survey Team, school principals and the new accreditation standards.
- The money received from the bond issue will help meet the ever-increasing school population - 72% since 1957 - with a shortage of classrooms and other facilities TODAY, even greater shortage next year. There are 148 portable classrooms in use today, with 8,000 children in substandard classrooms.
- Money from the bond issue will finance: 18 new elementary schools; 2 junior high; 1 senior high; 1 jr-sr high; 352 new school classrooms; 152 classrooms added to existing schools; 10 new science labs; 26 science labs added to existing schools; 38 new school and 29 old school home-making, industrial arts and libraries; 26 music rooms; 4 gymnasiums; 25 cafeteriums.

**\* WHY IT WILL COST YOU ONLY 20¢ PER MONTH**

For some homeowners it is more, for some it is less, but for the owner of a \$12,000 home assessed at 60¢ or \$7200, with a homestead exemption of \$5,000, there is \$2200 taxable valuation. An average cost of 1.09 mills for the bond issue (\$1.09 per \$1,000) brings the average annual cost to \$2.40 over the 30-year period. 24 CUPS OF 10¢ COFFEE! Isn't it little enough to assure a good education to our children?

**For The Price of Only 2 Cups of Coffee Monthly You Will -**

- Provide proper Education for the 74,000 school children expected in 1970 in Palm Beach County.
- Provide FULL SHARE of Education to 4,000 new students EACH YEAR.
- Eliminate NEED FOR DOUBLE SESSIONS and OVERCROWDING NEXT YEAR.
- Provide 509 new classrooms, the estimated minimum needed by 1970, with county population over 400,000.
- Plan for the 8% annual school population increase ... 72% increase since 1957
- Provide 22 NEW SCHOOLS and 75 additions and alterations to EXISTING SCHOOLS.
- Help attract business and industry with sufficient good schools ... and educate properly the children of those who come here.
- All Bond Money to be used only for new schools, additions and alterations of existing facilities, equipment and sites.

**NOV. 3 General Election PAPER BALLOT YOU CAN VOTE EVEN IF YOU DID NOT RE-REGISTER**

If you are a previously registered freeholder, but did not re-register by Oct. 3, you may vote for this bond issue by any of the following:

- (1) Present at the polls a current real property tax receipt.
- (2) Show a deed verifying ownership of property.
- (3) Sign an affidavit that you are a freeholder and show legal description of property, its location or address.

## "Tri-County Days" Celebration In Clewiston November 7-8

Residents of Hendry, Glades and Palm Beach counties will be honored at the annual "Tri-County Days" celebration here Saturday and Sunday, Nov. 7-8.

The civic appreciation weekend was originated as an annual event by Carroll Benson, co-owner of the Old South Bar-B-Q Ranch and Western historical gallery, and president of the Clewiston Chamber of Commerce.

As part of the festivities at Old South, children will be able to ride thoroughbred Palominos and there will be door prizes for adults and "all you can eat" at all menu prices.

In addition, visitors may view Western historical exhibits — a 125-year-old Conestoga wagon; Jesse James relics; Tom Mix's chaps; the largest Texas Longhorn; a life-size reproduction of Boot Hill and a courtroom scene of "Hanging Judge"; mementoes of other famous Westerners; and an outstanding display of Western antiques.

# MOUDRY FOR JUDGE

WHY? BEST EXPERIENCE BEST QUALIFIED

**RAYMOND MOUDRY**  
... will foster wisdom

Country and Federal Courts, Florida include service in general counsel and trial attorney for the Chicago Mutual Liability Company.

He also had extensive experience as a corporation attorney, having associated with such nationally known companies, Wellmark Optical Company, Chicago United Merchandise Association and Chicago District for Association.

Moudry served as a Major in the U. S. Air Force during World War II and was in charge of photographic procurement for the Air Force Headquarters at Wright Field, Dayton, Ohio.

LEGAL EXPERIENCE  
Legal experience in the Air Force during World War II and in defense of Coast Marine cases for officers. While in the Air Force he was in charge of the Air Force Military Justice.

He currently has a law office in the Harbor Building, 1000 N. W. 1st St. and is actively engaged in the general practice of law. He is admitted to the practice in Florida, and Illinois as well as the Federal Courts.

AN OPPORTUNITY  
The De Paul University Law School alumni who is also a member of the Oriental Consistory and Shrine and this election provides a fine opportunity for Howard and his wife to give back to the community and to the law.

Moudry was elected two years ago as State Representative for Palm Beach County and has the background and experience of how the laws are made and the meaning of legislative intent. Such experience is invaluable to a Judge.

His record in the House of Representatives reflects his conservative and mature judgment.

EPILEPSY  
VICTIMS

Can you tell which of these Florida Twins has epilepsy? They are Ricky (right) and David Raymer of Tampa. If you guessed Ricky, you are right. If you guessed David, you are also right.

Since birth, both have suffered epileptic seizures, but thanks to the South Florida Chapter of the Epilepsy Foundation, there is a happy outlook for these four year old twins and their family. They have been among the persons assisted this year by the program of patient services being undertaken by the Chapter.

In cooperation with Variety Children's Hospital and the Professional Advisory Committee of the South Florida Chapter of the Epilepsy Foundation, the twins were the subject of clinical observation, and according to Mrs. Raymer, recovered more help in one week than they had received in their entire lifetime.

In addition to patient services, the Chapter also provides programs of public education, professional education, employment opportunities, legislative action, and research.

For free information about epilepsy, write epilepsy, 1688 Meridian Avenue, Miami Beach, Florida.

### Marine Cpl. Tyler On Marine Training Amphibious Operation

#### STEEL PIKE (PHOTO)

Marine Corporal Hank W. Tyler, son of Mr. B. B. Tyler of Belle Glade, Fla., has sailed from the east coast of the United States to take part in Operation STEEL PIKE in Spain, the largest amphibious operation conducted in the Atlantic since World War II.

He is a member of the First Battalion, Sixth Marine Regiment, Second Marine Division, which is normally based at Camp Lejeune, N. C.

In the practice landing, 28,000 Marines of the Second Marine Division, Second Marine Aircraft Wing and Force Troops, Fleet Marine Force, Atlantic, along with a battalion of Spanish Marines took part in a mock assault on beaches in southern Spain on Oct. 26 from landing craft and helicopters.

The combined Marine landing force will be carried and protected by a U. S. Spanish fleet of 84 vessels, including ships of the United States Navy and the United States Marine Corps, and chartered ships of the U. S. merchant fleet.

Operation STEEL PIKE is being conducted to show the ability of U. S. and Allied amphibious forces to rapidly place large numbers of troops ashore and maintain them for as long as necessary. The operation will also train the forces of both countries in conducting joint operations.

Spanish Air Force units will fly missions in support of the landing force along with U. S. Navy and Marine aircraft operating from fast attack carriers and from the Marines' shore airfield for tactical support (SATS).

### Why You Should Re-Elect Stetson O. SPROUL

Your  
County  
Tax Collector

For A Continued  
Efficient and Courteous  
Administration

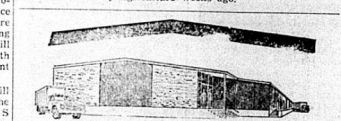

DEMOCRAT - 12A

- He has been a most conscientious and hard working County official.
- His employees have always rendered most courteous and efficient service.
- The office of County Tax Collector handled over 30 million a year of experience. You, the taxpayer, need a man of experience.
- Prior to his first seeking election, Mr. Sproul had 11 years of business and tax experience, and also had 8 years of experience.
- Mr. Sproul has always operated your Tax Collector's office as in extreme free amount possible.
- There is nothing to be gained by turning back to the County.
- Every voter should carefully check the qualifications and background of each candidate.
- Sound support to re-elect Stetson O. Sproul your County Tax Collector will be gratefully appreciated.

For by P. B. County Demo. Chmn. & Demo Exec. Comm. of Fla. Warren Goodrich, Chmn. and Ann Cranner, Vice Chmn.

## 10 Year Service Award Presented

Mrs. Agnes McClelland long time employee of the Palm Beach County Farm Agent Office, was awarded a 10-year service pin last week. The presentation was made by Sam Schowley, office manager of the Palm Beach County Agriculture

## Boyd S. Koffman With Space Project

Boyd S. Koffman, graduate of Belle Glade High School, class of 1947, who has been with the Martin Company at Vandenberg Air Base near Santa Maria, California, for the past five years, has been transferred to St. Louis, Missouri, where he will be connected with the Gemini manned space project for N. A. S. A.

Mr. Koffman is married and has three sons. He is the son of Mr. and Mrs. James H. Koffman of Belle Glade.

## Sutton Rites Held In Oak Hill, Fla.

Johnny Mack Sutton, 55, of 1309 N. W. 16th Street, Mohr's Trailer Park, Belle Glade, passed away Thursday, October 28, at Ormond Beach Hospital after several months illness.

Surviving are five sons: Donald Mack, Robert, Ralph, Larry, Jerry and one daughter, Maxine, all of Fort Myers, Fla.; four brothers, French Sutton, Cordale, Georgia, Odell and Robert Sutton, both of Waycross, Georgia, and Frank Sutton of Jacksonville, Florida.

Also surviving are three half sisters and one sister, Mrs. Blanche Stokley of Oak Hill, a step mother, Mrs. Daisy Sutton, a nephew, Question Sutton now Smyrna Beach, Florida and several other nieces and nephews.

Services were held at the First Baptist Church, Oak Hill, Florida, with burial in the Oak Hill Cemetery.

Mr. Sutton was employed by Schlechter Farms Belle Glade for many years.

## IN SERVICE

EVREUX PAUVILLE, France—James R. Travis, son of Mrs. Mary Travis of 615 Augustus, Paris, Ill., has been promoted to airman second class in the U. S. Air Force at Evreux AB, France.

Airman Travis is a medical records specialist at the Air Force hospital at Evreux. His unit furnishes medical services to the units of the U. S. Air Forces in Europe mission of providing the major air contribution for defense of the NATO countries.

The airman is a graduate of Park High School, his father, James Travis, resides at 1508 N. W. 12th St., Belle Glade, Fla.

**STATE REPRESENTATIVE  
Pledged To Pursue This  
PLATFORM FOR PROGRESS:**

1. Further reapportionment, tied more directly to population.
2. A realistic road program for Palm Beach County.
3. Reform of existing tax and license fees, especially the repeal of the recent punitive increase in auto tag fees.
4. Review of Florida trust funds to provide a brake on State spending.
5. A uniform election code that will eliminate the costly practice of almost monthly elections.
6. Annual sessions of the Legislature.
7. Complete repeal of the intangible tax.
8. Change the system of ballot as it applies to school millage elections to assure a full choice to all Floridians.
9. Creation of the elected office of Lieutenant Governor.
10. Creation of a single State Financial Office to control the indiscriminate issuance of revenue certificates by various state agencies.

# The Belle Glade Herald

SECTION B

OCT. 29, 1964 THE HERALD, Belle Glade, Florida Page 8

## Elected Officials Helping The Glades

Under authority to care for ports and waterways which have potential freight tonnage, Billy Burns, left, and Commissioners of the Port of Palm Beach worked out a mutually beneficial operation for the two ports. Deepening of the turning basin at the Port of Belle Glade, and administrative operation, produced several thousands of yards of rock, which was placed on the Marina land owned by the City.

The Port of PB secured a disposal area, without cost, and the City of Belle Glade gained a greatly needed fill.

Representative Roberts (right) assisted in the negotiations, as did Avery Bass (behind Burns), of the Chamber's Port Committee.

Mayor Williams and Commissioners Bailey and Farmer were members of the negotiating group, for the City.

This incident is representative of the work done by elected officials who have experience and "know-how" in the ports.

We suggest that the voters of the Glades remember both candidates (Burns and Roberts) on Tuesday at the Polls.

## Co. Commissioners Cancel Meeting Scheduled Nov. 2

The county commission, which has been meeting regularly on a weekly basis for the past several weeks, voted Monday to cancel its November 2nd session.

Commissioner George Warren said in view of the election next Tuesday and that some of the commission would be making last minute bids to the voters, he suggested that the meeting be cancelled. His motion won the support of three commissioners and brought a negative vote from Commissioner Lyle Loyal, who has been pushing for weekly meetings.

Commissioner E. F. Van Kessel was absent. He was attending a meeting of PGA directors at Clearwater at the invitation of PGA president Warren Cretell.

## Help Clean Up Belle Glade

## Raise Annual Average Of Beef Eaten To 113 Instead Of 101 Lbs. In US!

If a pound per month per person were added to the annual consumption of beef in the United States, it would go far to relieve an oversupply.

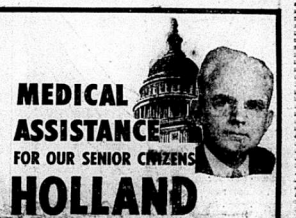

"Col." R. D. Cooper, Manager-Auctioneer of the Glades Livestock Auction Market points out some interesting facts about the beef industry, which is reshaping itself in the Glades after the onslaught of sugar.

The Colonel says: "According to USDA figures the number of cattle in the United States increased 15 million head between January 1, 1958 and January 1, 1964. At the beginning of 1964 the figure was 106.3 million and a continued increase was anticipated."

"During the first eight months of 1964 the increase of slaughter cattle was 12 percent over the corresponding period of last year. J. Russell Ives, AMI director of marketing, describes as amazing the ability of the domestic market to absorb, without excessive price concessions, this year's record beef consumption of 101 pounds per capita, an increase of seven pounds over 1963."

A period of stabilized prices for the cattle industry may be in prospect. Brooks J. Keogh, President of the National Cattlemen's Association recently said in Chicago, "The livestock industry is greatly encouraged by reports indicating that a peak in cattle numbers may soon be reached."

"Previous history would indi-

**MEDICAL ASSISTANCE FOR OUR SENIOR CITIZENS HOLLAND**

strongly supported medical assistance to Florida's senior citizens through the KERR-MILLS BILL, which covers both hospital and doctor bills, it protects those who have the need and is financed by our states with Federal support.

Medicare, the other proposal, offers only limited hospitalization, financed by an increase in Social Security taxes, it covers all senior citizens, rich or poor, but it does not cover doctor bills.

Florida's entire delegation in Congress voted for the Kerr-Mills approach. Our state legislature approved it for a two-year trial period, as did 36 states and territories.

## Rams Score Third Win For Season In 20 to 0 Game Against Stuart

The Defensive units of the Belle Glade Rams High School football team "arose to the occasion" when the chips were down and the offensive units carried the Golden Rams to their third win of the season last Friday evening when they won 20 to 0 over a stubborn Stuart team.

The Rams headed for the goal line late in the first period when they gained possession on downs on the Rams 46 yard line. It took them 11 plays to score with

Bucky Holt going off left tackle for the final 5 yards. John Henderson's 19 yard run and

quarterback Tony Latour's passes helped much in this drive. Holt ran the extra point.

The Rams again drove deep into Stuart territory in the second quarter but a fumble ended their efforts on the 16 yard line.

The Rams recovered a fumble by Stuart on the 16 early in the third quarter and drove to the 40 yard line where Holt took a pitchout from Latour on a sweep around end and went 60 yards for the second touchdown of the evening. Ray Sullivan placement try was short

Stuart was unable to gain after the kickoff and Rick Scamell's punt was blocked and Steve Hahrook picked up the ball and ran 28 yards for the third tally by the Rams. Sullivan kicked the extra point.

Stuart mounted a 62 yard drive in the last quarter, but were halted on the Rams' 38. The closest Stuart came to scoring was in third quarter when they managed to reach the 16 yard stripe.

Final score Rams 20 Stuart 0. The next game will be with Seacrest and will be played here this Friday night.

OCT. 29, 1964 THE HERALD, Belle Glade, Florida Page 11

### Football Games Will Be Played Here This Weekend

The football game between Belle Glade and Seacrest will be played on the Ram's field, as originally scheduled.

This announcement was made Monday by Pelton Morris, Principal of Belle Glade High School. Morris said workmen had

been busy last week and over the weekend making temporary repairs, straightening up the poles and aligning the lights in order to take care of the two remaining home games.

However, the repairs being made now are temporary only, is over.

**Every Florida official, elected statewide, urges the re-election of President Johnson.**  
Effective cooperation between State and National officials reflects in many experiences of economics and progress. Favorable Federal decisions have been responsible for Florida's retention of our great military installations, continuing development of space programs, Interstate highways, protection of citrus and cattle industries. Florida has benefited in construction programs for schools, universities, hospitals and such other vital projects as the Cross State Barge Canal.

**Varsity Team**  
**Entertained By**  
**Quarterback Club**  
Ninety-eight boys and their dates, Belle Glade High School coaches, doctors, principal and their wives enjoyed a delicious steak dinner at the Elks Club last Saturday night.

The event was sponsored by the Quarterback Club in honor of the Varsity Football Team.

"This is just one of the many ways the people of Belle Glade support their football team," Chairman Lee Berryhill said, adding "We had plenty of good help in preparing the meal."

Working with Mr. Berryhill were Mr. and Mrs. Hub Spooner, Mr. and Mrs. John Causey, Mr. and Mrs. R. E. Hotard, Mr. and Mrs. Doug Thompson, Mrs. Lee Berryhill, D. L. Shaver, Jim Williams, Lee Burke and Davis Kicklighter.

**Billy Thiebaud**  
**Winner In Ford**  
**Punt-Pass & Kick**

William (Billy) Thiebaud, 11, son of Mr. and Mrs. Wm. A. Thiebaud of 516 N. W. 4th St., in Belle Glade was named winner in the Ford Punt, Pass and Kick competition, sponsored by Ron Marlowe Ford of Belle Glade these past few weeks.

Billy won over all competition in Zone B which runs from Ft. Pierce South to Key West. Saturday morning Billy will go to Terry Parker High School in Jacksonville, Florida, where he will compete in the District Punt, Pass and Kick Meet. If he wins there he will go to the regional playoff which is held at the Eagle Professional football field in Philadelphia, Pa. Winners of the regional playoff meet in the finals at Washington, D. C. for top honors.

### Florida's Success Story is No Accident!

- 8th largest state in the nation
- Industry is at an all time high
- 45 State Parks now in operation
- Space and Moon-Shot Program Center
- An accelerated program for education
- Highest standard of living in history
- Tourism booming with 15 million visitors annually
- Inland waterways and harbors improved by 5 million dollars
- Veterans hospitals increased by 47 million dollars in '64
- Agri-business has a consumer value in excess of three billion dollars
- Record building program for highways, expressways, and Interstate highways

FLORIDA'S 1964 FEDERAL TAXES WERE \$1,570,000,000.  
1964 FEDERAL EXPENDITURES IN FLORIDA WERE \$3,338,000,000

Florida's development as the fastest growing large state requires a partnership with the Government — through new roads, schools, public expenditures — to keep pace with the needs and demands of the kind of growth never before experienced by any State.

There are men and women behind the Florida Story who played an important role in its success. They provided the leadership to get the job done. These leaders have been traditionally elected by the people from the ranks of the Democratic candidates.

340 AVENUE A — BELLE GLADE, FLORIDA

# SOUTH BAY AREA NEWS

Mr. and Mrs. Lewis Woodham and children Johnny, Jeff and Jenny from Ozark, Alabama, spent Thursday through Sunday visiting relatives and friends in South Bay. The Woodhams were former South Bay residents.

Mr. and Mrs. Roy Segre spent last weekend in Tampa visiting his mother.

Mr. and Mrs. Kenneth Morine and daughter Yolanda of Pahokee spent Saturday night

with her parents, Mr. and Mrs. George W. Crews, Sr. Mr. and Mrs. Ray Sullivan and children Gail, Judy Ann spent the weekend in Daytona Beach where they visited with Mr. and Mrs. E. G. McCasran and daughter Tina of Chattanooga, Tennessee.

Mr. and Mrs. R. A. Hall had their grandchildren Marsha and David Hall of White City as their guests for the past week.

Mrs. James Martin and daughter Luanne spent the weekend in Avon Park and Sebring where they visited with the W. H. Martins and other relatives and friends.

W. C. Allen and Rev. James A. Fenton attended the Big Lake Baptist Association's Annual Meeting in Moore Haven on Thursday which was delayed a week due to the Hurricane. Jack Warren of South Bay is a patient in Good Samaritan Hospital in West Palm Beach. He is reported to be doing much better.

**PORT COMMISSIONER**

Subdistrict 2 — Group 2

FOR CONTINUED PROGRESS

During many years as a PORT COMMISSIONER I have cooperated with other Commissioners to:

- Support GLADES PORT FACILITIES and will continue this policy
- Reduce freight rates on sugar in '64 — for a total of \$1,200,000
- Develop new industries — Create New Jobs — CONSISTENTLY REDUCE TAXES!

The OKEECHOBEE WATERWAY offers many opportunities for freight traffic, both ways. To the east and to the west. Fishing and pleasure craft need only be informed, as to the opportunities for fresh water fishing, convenient and pleasant stop-over points with service centers.

GLADES PORTS are important to the economy and growth of the GLADES.

For Better Schools... ELECT a man who WILL

1. Teach high moral, spiritual and ethical values
2. Get FULL accreditation for all schools
3. Get dollar's worth of education for every tax dollar spent
4. Up-date curriculum, stress the three R's, curb drop outs
5. Remove the "cobwebs" of administrative inefficiencies
6. Give equal educational opportunities to all students

## Action-Filled Meeting Held By SB Commission

The South Bay City Commission voted to give former Police Chief Marvin Davis \$893 in back pay, minus the normal deductions, for the period of his suspension, from May 8 through June 16.

The decision came in accordance with a ruling of Circuit Court Judge Robert S. Hewitt, who said Davis was entitled to the money.

Davis was suspended as South Bay Police Chief on May 8, for misfeasance, malfeasance and nonfeasance in office. The suspension was later extended by the commission to September, 1965, the termination of the elective term.

The amount granted Davis includes the 41 day suspension prior to his removal and two weeks vacation pay. The commission adopted a resolution whereby all water bills must be paid within 30 days from the billing date or the water service will be discontinued. This was brought about when the Commission learned there were nearly \$4,000 worth of delinquent water bills through the month of August.

A water treatment plant is now under construction in South Bay but as yet the city does not have a water supply. City funds of South Bay are used to pay Belle Glade for the delinquent bills, placing the responsibility for collecting the money on South Bay.

The commission passed on first a resolution rezoning "lands in Walker" and Robert subdivision from R2 to residential restricted, which allows only single family dwellings and duplexes.

Other business included the granting of a beer license to W. H. Acres, Jr., for his place of business on Joe Louis Avenue.

A request from the owner of Scott's Bar and Package Store on Palm Beach Road that he be allowed to sell beer, wine and whiskey on Sunday was tabled.

## Birthday Party Given For Belinda White

Eight-year-old Belinda White was honored with a birthday party last Friday afternoon given by her mother Mrs. George Mahoney and her grandmother Mrs. James Sammerlin at the Summerlin home in South Bay.

Party hats and party cups filled with nuts were given as favors.

Guests included Monica and Michelle Harris, Gary, Denny, Debbie and Jo Broome, Robbie Woodham, Kip, Kixie and Andrew Newsome, Beverly and Dennis Crawford, Johnny and Jeff Woodham, Cheryl Carter, Debbie Webster, Randy, Brent and Mark Woodham, Gregorio Woodham, Mrs. Kenneth Harris, Mr. and Mrs. F. C. Denton, Mrs. Burnham Woodham, Mrs. Jack Newsome, Mr. Vernon Harper, Mrs. Howard Woodham and James Summerlin.

by the commissioners until the next meeting. It was announced that Mayor Henry Elfers had been elected to serve on the County Cemetery Board.

Alton Goodbread, Bill Sennic, Floyd Wilder and Paul Wilson were reappointed to the zoning board.

## South Bay 4-H Club Elects Officers

The first regular meeting of the South Bay 4-H Club met at 3 p. m. Friday, October 23rd. Sixteen boys were present at the meeting. Those elected as officers for the coming year: President, Buddy Wilder; Vice-President, Myron Mansfield; Secretary-Treasurer, Eddie Leathlean; County Council Representative, Myron Mansfield; Reporter, Lynn Kersey; Student Council Representative, Italian Sanchez.

Mr. John Causey, Associate County Agent, then gave a short talk on what 4-H is and some of the advantages of being a member and the opportunities available for members in this area. A check was made on the projects already underway by the boys so far this year. Mr. Causey announced that record books would be mailed to the members as soon as possible.

It was decided to have the meetings on the third Thursday of each month at 3 p. m. at the South Bay School. The leader for the club is George King, 6th grade teacher.

## Jimmy Corley Enlists In Navy

James Edward Corley, 17, enlisted for four years in the U. S. Navy, was sworn in October 15, in Miami, and left immediately for the Great Lakes Training Center. He will be at Camp Barry for the nine weeks training program.

The young man is the son of South Bay policeman Edward N. Corley and Mrs. Corley of South Bay.

## Big Barbecue With Halloween Carnival Saturday

The South Bay P. T. A. will hold their annual Halloween Carnival Saturday, October 31 at the Bill Jeffries Memorial Park in South Bay. Festivities will start with the Parade at four o'clock in front of the school. The parade will then proceed to the park where judges will select the winners of the three categories: most original, most appropriate and the prettiest. There will be the preschool, primary, intermediate and junior high groups, participating for prizes of a silver dollar.

The barbecue dinner will start immediately after the judges have finished selecting the winners around 5:30 p. m. The booths will open around 6:00 p. m. We will have several new types of booths this year along with our regular fish pond, wheel, Chance, dart games, bottle throw, cake walk, hat toss, checker toss, and ping pong.

We would appreciate it if all parent who made pledges would bring them to the school on Friday p. m. or Saturday a. m.

## QUICKIE RECIPE OF THE WEEK

**Peach Slice Topping**  
Whip 1 pint whipping cream and fold in 1/2 cup crushed peaches, 1/2 cup blueberries and 1/2 teaspoon grated orange rind. Chill until serving time, then spoon over peach slices.

The world's leading acoustical experts made the test. The U. S. Auto Club certified the results: at 20 mph... at 40 mph... at 60 mph...

## The 1965 Ford rides quieter than a Rolls-Royce!

Prior to the introduction of the 1965 Ford, the country's leading automotive writers drove the new models at Dearborn. Most of these experts remarked about the extraordinary quietness and smoothness of the Ford ride. An automotive writer, in *Mechanix Illustrated*, said, "If there is a quieter car made in this country, I haven't driven it."

**Quiet Means Quality...** Since quiet is a traditional measure of car quality, Ford engineers designed the '65 Ford for maximum quietness. To illustrate

New Rolls-Royce Silver Cloud III

to be slightly quieter at all speeds. The official test report reads: "At all moving speeds, on both countries, the Ford was quieter than the Rolls-Royce."

The difference... The sound level difference, to be sure, is small—but it is there. At 60 miles an hour, Ford was actually 2.8 decibels\* quieter than Rolls-Royce. At 40, Ford was 5.5 decibels\* quieter. At 20, Ford was 4.9 decibels\* quieter.

However, small these advantages over Rolls-Royce may be, they are significant evidence of quality—important to anyone buying a car in Ford's class. Take A Test Drive... A key—and a warm welcome—await you at your Ford Dealer's. The key, incidentally, fits in the lock no matter which side is up—symbolic of the hundreds of advances you'll find in any Ford you road-test. Come in and see for yourself.

\*Decibels are the internationally recognized unit for measuring the volume of sound.

SOUND LEVEL (all readings in decibels)				
MPH	FORD	ROLLS-ROYCE	FORD	ROLLS-ROYCE
20	67.4	72.3	4.9	
40	75.9	81.4	5.5	
60	82.6	85.4	2.8	

TEST CONDITIONS: Dry, level, moderately smooth concrete divided highway; light, quieting wind. All cars operated at steady 20, 40 and 60 mph with all windows and vents closed. TEST EQUIPMENT: Road & Klier precision octave band analyzer, recording through direct observation and through Nagra precision tape recorder. Data exposed in Perceptron Noise decibel. TEST CONDUCTED on September 24, 1964, by Bolt, Beranek and Newman, Inc. of Cambridge, Mass., the world's largest acoustic consulting firm.

TEST CERTIFIED by the United States Auto Club. CARS TESTED: Two brand-new Rolls-Royce Silver Cloud III sedans, V-8 with automatic transmission, list price in New York \$16,655 each. Three 1965 Fords, each with 289-cubic-inch V-8 engine and Cruise-O-Matic transmission. Galaxie 500 L.T.D., Galaxie 500 XL and Galaxie 500 4-Door Sedan.

The Total Performance 1965 Ford Galaxie 500 L.T.D. being tested.

Test drive Total Performance '65...best year yet to go

## Ross Harrington Named Winner In 4-H Contest

Ross Harrington, 13, son of Mr. and Mrs. Harrington, State Road 15, Canal Point, has been named winner of the 4-H Efficient Corn Production Contest. Ross's win was based on his 4-H field corn project, from which he received a yield of 146.9 bushels per acre. He will receive a silver tray trophy awarded by the Florida Times Union, Jacksonville, Florida, Saturday, October 31, at the

North Florida Fair at Tallahassee where the corn show is held. Young Harrington planted Funk G-745 Hybrid corn. It is a yellow corn, not too long an ear, but high in protein.

Last year Ross, who is a Junior 4-H member won second place in Jr. 4-H corn production when he had 186 bushels per acre. However, his cost was less than that year.

Young Harrington has been in 4-H work for 4 years now and will be a Jr. member till he is 14 years old, which will be next year.

Ross Harrington

The Harringtons are an all-around 4-H family. A daughter, Janette, 20, now attending F. S. U. at Tallahassee, has been active for 8 years in 4-H work. She was an outstanding member here and was awarded the 4-H Key last year. This is the first time this award has ever been made in this county. She is now Vice President of the 4-H Club at PSU.

Another daughter, Nancy, 16, a Jr., at Pahokee High School has been in 4-H work for 6 years. She won a state award in Entomology and will go to the National 4-H Congress to be held in Chicago, Nov. 28, to Dec. 3. She is now President of the Palm Beach 4-H Council.

Mrs. Harrington is a 4-H leader and has been for the past 2 years. Mr. Harrington has assisted with Craft work at 4-H camp.

Samples of some of young Harrington's corn are on display at the office of the Belle Glade Herald.

### 4-H Gators Plan Hobo Party And Car Wash Project

The 4-H Gator Club made final arrangements for their Hobo party and planned a car wash for November 7, when they met Tuesday, October 27, at 3:15 at the home of their leader, Mrs. Clara Sellers, in Chosen.

President Terry Priest called the meeting to order and the members recited the 4-H pledge. Devotional was given by Melinda Chaney.

All of the club's 24 members were present. A report of the previous meeting on October 20, showed 8 absent and 21 attending. There was one visitor at the Tuesday meeting.

The girls will make more definite plans and be instructed on the car wash procedure when they meet next week, reporter Nancy Wierenga said.

**YOU CAN VOTE**

A FULL REPUBLICAN SLATE

### AN OPEN LETTER TO SOUTHERN DEMOCRATS AND CONSERVATIVE AMERICANS:

Have you ever stopped to consider how closely you are akin politically to those of us who are Republicans? Like us, you represent good citizens: Reliable, respectable and with a deep-rooted sense of responsibility. Mild conservatism is your heritage. Those of you who are Democrats have been deserted by your party. We all know that it has been captured by a combination of inflation-minded free spenders, radical socialists and one world internationalists. It has been taken over by the ada whose darling Hubert Humphrey is its candidate for the Vice-Presidency.

Our only salvation lies in the success of the Republican party and its able and conservative leader, Barry Goldwater.

The time has come when we must all join ourselves together to combat and defeat the danger that faces our country and its free institutions. To keep our country safe and sane there must be a political shift throughout the land. Those for the republic as it stands must oppose those who stand for special interests and creeping socialism. And so it is that we Republicans call out to all honorable southern Democrats and Conservative Americans to come join with us for in our success lies the salvation of America — Vote Republican!

## Frogging Illegal In Areas 2 And 3

**\$1.79 \$1.98**  
**Sears**  
ROEUCK & CO.  
172 W. Ave. A  
Belle Glade

The Game and Fresh Water Fish Commission urges sportsmen to note that taking of frogs in Conservation Areas 2 and 3, Three of the Everglades Wildlife Management Area is illegal from now through January 15, 1965.

Louis F. Gainey, Everglades Regional manager, said closing of the area of frogging during this period was necessary to a void a conflict with hunting during the season, and, in part, to help curb the problem of alligator poaching.

Frogging will be legal from and including January 16 to September 30, only Gainey said the Wildlife Officers are now enforcing the new frogging season.

General hunting season in the Everglades Management Area will be from November 14 to January 3, fishing throughout the year. Hunting from the levee bordering Hillsborough Canal (I-39) will be prohibited.

## Florida Ready for Hunting Season

Florida hunters may use a bow and arrow, may hunt in state preserves or on 72 private preserves, 23 of which are classified as commercial where special fees are collected.

Enforcement is being stiffened by the appointment of a Chief of the State's enforcement division.

Bow and Arrow  
Florida's archers will have four special hunts in which to test their skill and hunting ability during the 1964-65 hunting season.

The third of these special hunt opens on the Fish-eating Creek Wildlife Management Area in South Florida on January 18 and continues for three weekend hunts through January 31. The Fish-eating Creek archery hunt will be open for wild hog hunting only and archers will be allowed one per day and two per season. Archers will be required to possess a special Fish-eating Creek archery permit costing \$5.00. Permits will be available at the Fish-eating Creek check station.

Director Aldrich said that archers will be required to possess a regular hunting license in addition to the special hunt permit. Archers may also use bow and arrows to take wildlife during the regular state-wide hunting season. In order to qualify as a legal method of taking game animals, a bow must be capable of cutting a one-ounce hunting arrow 120 yards. Cross bows are prohibited for taking game animals.

Private Preserves  
Hunting season on Florida's seventy-two licensed private shooting preserves opened October 1 for quail, duck and pheasant hunting. The season for hunting on shooting preserves will continue through April 30, according to A. D. Aldrich, director.

Of the seventy-two private preserves, twenty-three are classified as commercial preserves which are open to the public for hunting under a fee system. The fee system is one in which the hunter pays for the privilege of hunting and for the number of game birds harvested during the hunt.

In addition to the hunting fee, the hunter is required to possess a valid hunting license. This license may be either the regular resident or non-resident hunting license or the "Series H" license which sells for \$5.00. The "Series H" license is available to both residents and non-residents for the same fee, and entitles the hunter to hunt on any licensed shooting preserve, but may not be used for other hunting.

### Waterfowl Tomorrow

The book "Waterfowl Tomorrow" is available at four dollars per copy on a story of migratory waterfowl on the North American Continent written by experts from the United States, Canada, and Mexico. A non-technical book, "Waterfowl Tomorrow" details simply but fully the many natural processes

and the numerous activities of man which have affected waterfowl from glacial times to the present day. The book is on sale by government printing office, DC.

### Dove Hunting

South Florida's Dove season got off with a bang this week-end as more than 1,000 hunters shot approximately 7,000 birds

in the eight Everglades Region Dove Management Areas, according to the Florida Game and Fresh Water Fish Commission.

Lou Gainey, the Commission's Everglades Regional manager, termed the opening weekend hunt as "the most successful we've ever had" in the three year history of Commission provided Dove Management Areas

in the Everglades Region. Gainey said the number of hunters in the field the first two days tripled last year's count and the birds kill was considerably more. The heaviest concentration of hunters and the biggest kill was in the Dade County Management Areas with 1,345 gunners taking nearly 5,000 birds.

In late announcement the recommendation of the Broward-Palm Beach Recreation Committee on the closing of Area No. 2 to prevent night vandalism, has been rescinded.

# Southern Bell Spends \$16 Million For Expansion

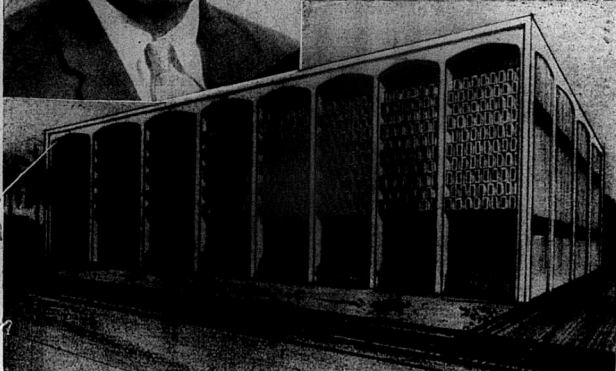

C. J. Yates, Vice President and General Manager of Florida operations for Southern Bell, announced Friday the creation of the Southeast Division with headquarters in West Palm Beach, effective November 1, 1964. The new Division, fourth in the state, comprises the Hollywood, Fort Lauderdale, Pompano Beach and West Palm Beach Districts.

In making the announcement Yates reported on the growth and progress of communications services in Florida and divided his remarks between the past, the present and the future.

"In the past ten years, the number of telephones in that part of the State in which we operate has increased from some 622,000 to more than 1,700,000," commented Yates. Other figures of growth were:

Increased investment in the State from 195 million to more than 700 million.

Annual payroll has grown from \$29 million to in excess of \$77 million.

Artist's sketch of the new Southeast Division headquarters building of Southern Bell now under construction at 315 South Dixie Highway. The new Division will include Broward and Palm Beach Counties.

The number of employees has increased from 8,863 to 14,872 or a net increase in new jobs of 620 per year.

Record \$89 million construction program for Florida in 1964 compared to previous five year average of some \$71,400,000.

Improved telephone service at lower cost.

In talking about the present, Yates traced the change in the State organization leading up to the establishment of the Southeast Division.

He referred to the new six-story building now under construction which is scheduled for completion in July of 1965, and will have a total investment in building and equipment of \$3,255,000. The building will contain one of the first all-electronic offices in Southern Bell.

Yates spoke of things planned for West Palm Beach in the future. "When we consider the new building and its equipment together with other items of expansion, our expenditures for the immediate future in 1965 and 1966 for this area will be in the neighborhood of \$18 million of new capital money required to keep abreast of service improvement program."

The new Southeast Division Headquarters will be temporarily located at 621 North Clematis Street until a new building at 315 South Dixie Highway is completed.

Nothing gets around like a goblin with

## CHEVRON

...the LIVELIER gasolines!

Gay occasions call for these new and modern motor fuels, so right for Dixie's pulsing pace today. Choose from 3 great Chevron gasolines. Each packed with livelier performance, long-running economy. Besides, in Chevron and Chevron Supreme you get Methynol, the different antiknock compound that helps develop all the power built into your car. Stop at Standard. Go lively with Chevron!

We're better care of your car

## Gorham Asked— 'Where Is \$7,908?'

Daniel Gorham, Republican candidate for a House seat held by Representative Emmett Roberts, has been asked, as County Registrar, to account for \$7,908.99, according to the following report by the County Commission:

"It appeared Monday that Daniel Gorham, county supervisor of registration will have to produce \$7,908.99 or show cause why he shouldn't return the money collected for operation of his office.

Horace Beasley, candidate for the registrar's posts, asked the money."

County commission to expel why an audit of Gorham's office showed the funds not have been accounted for.

County Attorney Harry Johnston told the commission that it had no jurisdiction in the matter and further advised the board that the audit had been called to the attention of the State Comptroller. The comptroller, Johnston reported, has written a letter to the supervisor ordering the money turned back to the county or for Gorham to show the authority for retaining the money.

### First 6 Weeks Honor R Led By 5 Srs., 3 Jrs.

Love of learning is a pleasant and universal bond, since it deals with what one is and not what one has. There are many students at Belle Glade High who deserve special recognition for outstanding academic achievements which they have earned this six weeks.

The top five students for the first six weeks in the senior class are: Irene Ashley, Lee Anne Berryhill, Lynda Long, Coco Poff and Diane Davis.

In the Junior class, the top three students are: Wanda Teale and Libby White, and Glenn Wolf.

Other students making the honor roll for the first six weeks are:

**9th Grade**  
HONOR ROLL — None.  
HONORABLE MENTION — Jodie Averill, Jorge Blanco, Jill Bowen, Stephen Butler, Anita Curdin, Margaret Cross, Richard Hooker, Maria Iglesias, Henriette LeGrand, Ruth McGee.

**10th Grade**  
HONOR ROLL — Caridad Blanco, Sheri Burgess, Karen Dexter.  
HONORABLE MENTION — Mary Leigh America, Janice Blumenthal, Pat Bowen, Alison Cann, Roberto Fernandez, Richard Holt, Jo Ellen Hudspeth, Jeffery Jeffers, Steve Kirchman, Sue McCloud, Henry Medina, Olga Ortiz, Mari Rubiales, Eddie Vandergriff, Jane Zump.

**11th Grade**  
HONOR ROLL — None.  
HONORABLE MENTION — Gail Teale, Elizabeth White, Glenn Wolf.

**12th Grade**  
HONOR ROLL — Irene Ashley.  
HONORABLE MENTION — Lee Anne Berryhill, Maria Davis, Pat Fisher, Steve Halbrook, Janet Holard, Lynda Long, Ida Mock, Coleta Poff, Ofelia Sanchez, Susan Schoepel, Judy Seiler, Susanna Wierenga, Suzanne Williams.

### HELP!!!

By Bill Goff

At 8:25 A. M. on October 21 the students were beginning to settle down for the days work. Then it happened.

The public address system blurted out this message: "All Seniors will report to the Cafeteria right after roll call this morning."

We knew we were facing the Senior Placement Tests, but we didn't know we were possibly deciding our futures. This test is important since many colleges require a score of about 300 and many employers want to know the results of this test.

Once settled in the Cafeteria, though, Coach Lake began discussing the test. After all directions were clear, he instructed us to turn to page three and read those instructions.

"If everyone is ready, you may begin," declared Coach Lake. Fifteen minutes later, he told us that time was up. Things went like this until about eleven o'clock.

After taking a five minute break, we tired, overworked seniors returned to our regular classes. This was done, however, with the thought that, we only have one more morning of tests. We wonder if we will ever live through it.

Sharon A. has been seen making a mad dash to the post office every day. We hear those letters are from Arkansas.

Ann W. has been seen with a good looking boy lately. Tell him to bring some of his friends over some time.

South Bay seems to draw Chevy's as if by a magnet, especially red ones like Dawn W.

Oct. 2 was homecoming for Nancy P. and we don't mean football wise.

Glee Club has been caught in the act. Their sweet tooth seems to be getting the best of them. They're eating up all their profits.

A certain girl seems to be very fond of Don W. Wonder if he knows it yet?

In the first grade we had "nap time." L. C. seems to have distinguished fourth period as his rest hour.

Have you ever noticed how well Mr. Painter draws? Ask the fourth period bookkeeping class about his talents some time.

The cheerleaders have been getting a lot of help in pep rallies from a self-appointed group of cheerleaders in the junior-senior section.

I hear it was cold in Rainbow Springs last weekend — what do you say Martha Lynn, Molly, Phil Lynn, Ronnie, Audrey, and Judy?

Who was that Bruce was trying to catch over by the gym the other day? Was it you, Jorg C. Hey, Linda N. how did you like your visit from the cops the other night?

What's this about the U. of Fla. boys calling Karen H. "Miss October Fix-Up"?

Beth M., who were you standing out in the rain waving to the other night? Could it have been Don V.?

There are rumors out that the Senior Class Play is to be "Oedipus The King." Is there any truth in that statement, Humanities Class?

### Halbrook & Holt Lead; Rams Take Third Straight

Halbrook Bucky Holt scored 13 points in leading the Golden Rams to a hard fought 20-0 win over Stuart Friday night.

After a scoreless first period, the Rams talked on a 54-yard drive. The drive was highlighted by a 19 yard run on a reverse by John Lee Henderson and by Holt's five yard burst off left tackle for the score. Holt also ran the extra point.

In the third period the Rams scored on a well executed play which covered 60 yards. Quarterback Tony Latour ran 2 yards to the end zone, then pitched to Holt who scampered down the sideline to paydirt. Sullivan's extra point kick was wide.

Stuart dominated the fourth period on a drive that ended on the Ram eight yard line when the clock ran out.

Ram halfback Bucky Holt was leading rusher with 93 yards in 11 carries for an average of 8.4 yards per carry.

Quarterback Tony Latour continued his fine passing by completing 7 of 9 passes for 95 yards.

### Convention Stimulates New Ideas

Plans, plans, and more plans. That's what's behind every different annual and RAMPAGE.

To learn new and different techniques for plans, BGHS had six representatives attend a Journalism Convention at McCarty High School in Hollywood, Florida. Irene Ashley, Mark Bush, and Connie Bacon attended lectures concerning newspaper articles. In addition, annual ideas were taken in by Cynthia Nutt, Kathryn Zwickly, and Lynda Long.

Sessions began at 9:00 a. m. and ended at approximately 12:15 with a break in between. Schools from far and near were represented and McCarty's campus was filled with eager to learn students.

Mrs. J. R. Nutt chaperoned the group and was appreciated for volunteering her time and effort.

The trip was a benefit not only to the individual students involved but also to the entire Journalism class.

Happiness is being able to turn in a perfect paper in typing.

Happiness is having the principal as your close friend.

Happiness is finding your physical education clothes where you left them.

Happiness is seeing the Rams win a football game and play on their home field.

Happiness is going home with a straight A report card.

Happiness is keeping your feet warm in the winter time.

Happiness is living in a free country.

Happiness is arriving to a club meeting on time or having a good excuse for being late.

Happiness is having a date for all occasions.

Happiness is going to your classes without getting your hair wind blown.

Happiness is attending a bumper bus with only two in a seat.

Happiness is attending assembly or the pep rally with everyone in the spirit of things.

### Over The Back Fence

How come they say fish is brain food? Jimmy J. gets his best grades when he feels Betty B. hamburgers and sundaes.

June B. and Joan W. seem to think they fooled Coach Marquess. They ought to know by now that coles shouldn't be taken to the library.

Many alumni and students plan to attend homecoming at Gainesville this weekend. Sound like its going to be swinging.

What do you think P. F. L. B. and B. D. K. H. J. C. S. W. and F. K.?

Something has happened to the large Beta Club we used to have. Last year's grades have finally caught up with 20 members.

Has I. A.'s Willys really been declared unsafe for students to ride in? We hear the doors fly open around every corner.

Mark B. certainly concentrated on the half-time activities at the all games. Eleanor C. seems to be the center of attraction.

Mrs. Earwood was voted most of the week by the Humanities Class.

What do you think L. Y. B. Mary F. and Mike Y. T. They seem to have a good thing going.

Tell us again how you broke your leg, Cynthia H. Was it really a water sprinkler?

What do you think L. Y. B. Mary F. and Mike Y. T. They seem to have a good thing going.

Tell us again how you broke your leg, Cynthia H. Was it really a water sprinkler?

What do you think L. Y. B. Mary F. and Mike Y. T. They seem to have a good thing going.

Tell us again how you broke your leg, Cynthia H. Was it really a water sprinkler?

What do you think L. Y. B. Mary F. and Mike Y. T. They seem to have a good thing going.

Tell us again how you broke your leg, Cynthia H. Was it really a water sprinkler?

### Jr. Civitan Open

#### For New Members

The Junior Civitan Club, a new organization in school this year, will be led by Mr. Marquess, Secretary of the Belle Glade Civitan Club.

In a recent luncheon at the Civic Center Eddie Hart, Eddie Vandergriff and Pete Parrish represented the Junior Club. John E. Baker, City Attorney, spoke on the value and merit of the proposed constitutional amendments in the upcoming election.

Anyone who is interested in joining this about-to-be-chartered club should see Mr. Marquess as soon as possible.

### For Your Information

It seems that this is the time of year when posters are plentiful in many clubs and organizations. If this applies to you, try this. Brush water all over your paper. Drop on splashes of bright water colors and let them spread and mingle. When they dry, apply your poster paints. You'll get a very striking effect.

If you have lace, veils, ribbon, or any other dainty materials which need to be ironed but you're afraid of scorching them, try moving the iron over a hot light bulb slowly. It really works!!!

### Library Corner

**BOOK OF THE WEEK, REBECCA** — Fifth Period English IV

Against the setting of a great English estate opens the story of REBECCA, its glamorous mistress, who had been dead for eight months. Marjorie de Winter's young and frightened second wife gradually realizes that there is some mystery surrounding her death, but it is not until the night of the big costume ball that her suspicions are confirmed and with an ever-increasing atmosphere of impending disaster, the real story becomes known.

**NOTES:** Miss Rogers' second and fourth period freshmen English classes received library instructions last week.

The students were introduced to the Gold catalogue, Abridged Readers' Guide, encyclopedias, and other reference books. They were also required to memorize the ten large classifications of the Dewey Decimal system. Mrs. Jones toured the library with them and showed film strips.

It is planned for all freshmen English students to receive one week of library instruction.

**MOTTO OF THE WEEK:** Many fall behind by not keeping up their reading.

**BOOKWORM OF THE WEEK:** Annette Noland, a sophomore, was seen in the library a good deal deeply absorbed in a mystery.

## BG Elks Attend State Convention

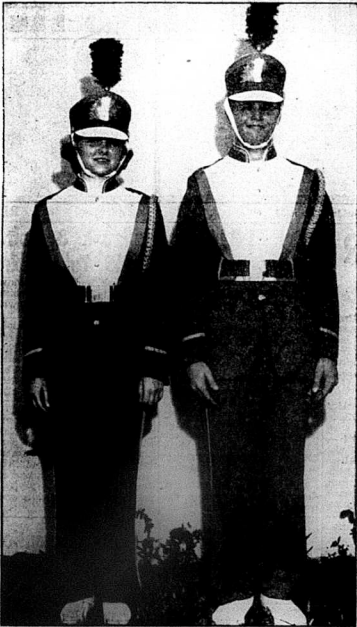

The Florida State Elks Association held its Third Annual Mid-Year Convention at Leesburg for the weekend of Saturday, October 25th, and Sunday, October 26th. The business sessions were scheduled for Sunday morning beginning at 9:00 o'clock with S. C. President Russell L. Saxon, of New Smyrna Beach, as its Chairman. The highlight of the session was an address of "Past Grand Exalted Ruler" William A. "Bill" Wall, of West Palm Beach.

Members of Belle Glade Lodge No. 1716, together with their wives, attending this state meeting include Exalted Ruler D. R. Kiehlhoffer.

On Saturday afternoon, at 2:00 o'clock, the Hospital Committee of the Elks Harry-Anna Crippled Children's Hospital convene for its quarterly meeting in the State Headquarters at Umatilla, to hear progress reports of Managing Director George Carver and of the Hospital Board. Belle Glade Lodge No. 1716 is actively supporting this major State project financially by contributing its share to the annual operating expenses and by individual donations to the Trust Fund. The Harry-Anna Hospital is a Convalescent Hospital for physically handicapped children and is owned and operated by the Florida State Elks Association, of which Belle Glade Lodge is a member. In close cooperation with the Florida Crippled Children's Commission, physical and occupational therapy treatments are administered to more than sixty inpatients, through the facilities of the Hospital, and plus more than five hundred outpatients, through the Elks Home Therapy Service program. L. G. Berryhill and Woodward Bass of the Local Elks Lodge are members of this Hospital Committee and participated in this session.

On Saturday evening the delegates and their wives were entertained with a special dance at the Leesburg Elks Club and the activities closed with a luncheon at the Elks Lodge on Sunday at noon.

STYLED FOR CONCERT AND MARCHING — Belle Glade High School Band's new uniforms are proudly modeled by Linda Hollingsworth and George Richardson.

ardson.

**What You Need To Know About TB**  
Tuberculosis is a catching disease... caused by a germ... usually affects the lungs... is

not inherited... can strike anyone at any age and frequently has no symptoms in the early stages. It can kill, but if it is found early enough treatment is

usually successful. A TB hospital is the best place to get well. **YOUR BEST DEFENSE** against TB is adequate nutrition, adequate rest, good hygiene and

an annual physical examination, including a tuberculin test and/or chest x-ray.

**THE SYMPTOMS** of tuberculosis are loss of weight, loss of appetite, fatigue, chronic cough or hoarseness, afternoon fever, night sweats, chest pain, and spitting of blood. At the appearance of any of these symptoms, see your family physician or Health Department and get a tuberculin test and/or a

chest x-ray. **SILENTNESS OF TUBERCULOSIS** — call it what you will but TB is displaying that attribute. After a decade of decreasing numbers of new active cases of TB, 1963 reversed that trend in the United States, in Florida and in Palm Beach County — despite increasingly effective control measures. To counteract that trend there must be a major battle on many fronts — social, economic and cultural as well as medical.

### PUBLIC NOTICE PUBLIC NOTICE

**FIREMAN I**  
Examination for male applicants for the position of Fireman I in the City of Palm Beach County, Florida, will be held on the night of November 13, 1964, at 8:00 P. M. in the City Hall, 100 N. # One Little Hyacinth

By Lawrence E. Will

Did you see the same thing I was reading in the paper? Some dumb lightning struck rogues have been importing piranhas from the Amazon. There's danger that they might get loose in the streams of Florida. So new Representative Paul Rogers, bless his heart, is trying to put a stop to it. Now, a piranha, in case you wouldn't know, is one of the most vicious, voracious and deadly of all the fish that swim. In their home stomping grounds it's sure death for an animal to venture into the water. WHY, if a man just leans overboard to wash his hands, he'll likely lose some fingers. Goodness gracious and gee whiz! Imagine what could happen if a pair of those pranks got loose here! Let me tell you what just one solitary import from that same region has already done. That, brother, is the water hyacinth.

I'll grant you that there's no more beautiful flower on land or sea than the water hyacinth. But friend, when you say that, you've said it all. To be sure, cows love to eat the plants, but since they're 95 percent water, I reckon that a cow could starve also to death even with her belly full. If hyacinths are good for anything except to look at, nobody yet has found it out. One foremost soil scientist, after ten years of experimenting, decided in disgust, "The water hyacinth is no more than a damn for anything!"

Here's how the pesky weed got into Florida. Back in 1884, so the story goes, Mrs. F. Fuller, who lived at Edgewater, up Daland way, visited the New Orleans International Cotton Exposition. There she was entranced by some gorgeous flowers which had come from Venezuela. Hoping to adorn her fish pond with its lavender blossoms, she purchased one single plant and hoped that it would live in Florida. It did. But the blamed thing kept dividing and multiplying, a sort of arithmetic progression, so to speak. Some say she dumped the excess plants into the St. John River, some claim that she strewed them from a steamboat for to beautify the stream. No matter. It wasn't long till steamboats could hardly navigate the St. Johns nor its tributaries because of her lovely plants.

And here's how they got into Lake Okeechobee. It must have been about in 1897 or '98 that Eli Morgan, a cattleman at Bessinger who later moved to Bluefields, decided to raise some cheap cow feed. He hired Bill Whidden, with his horse and wagon, to get some plants from the St. Johns and sow them in the ponds and ditches around Bessinger. From there, eventually, they got into every stream, every pond, and every canal in South Florida. And still they kept on multiplying. Scientists will tell you that a hyacinth divides itself and doubles in number in only two weeks time. In eight months one plant will produce 65,000 more, and the only natural enemies it has are freezing weather and salt water.

It wasn't long before water-flow in rivers and canals was slowed by half. Streams, and ditches were clogged completely. Their oxygen cut off, most fish except for mudfish and gars, died off. Fish camps and tourist spots closed up. Transportation on many rivers and canals just ceased. In 1949 the State Game and Fresh Water Fish Commission estimated that hyacinths had cost this state \$10 million in that one year alone.

## B. G. Jr. Hi's Library -Cafeteria - Music Room

Lack of funds prevented the entire Junior High plans to be built; so temporary buildings have been furnished.

anals the state used to hire Captain Clay Johnson's steamer "Osceola" to clear the channels. By steaming backward up the stream the paddle wheel could break the jams and start the plants down with the current. In Louisiana as well as in Florida, many ingenious machines have been tried, either to chop the plants to bits, or to convey them to the shore. These worked out they were too expensive. It's even been proposed that some other plant or spreading vine might be introduced to smother out the hyacinths, but it might prove to be another pest itself. Someone came up with the novel idea of importing hippopotami from Africa to eat the plants, and now by golly, the state is actually trying manatees, or sea cows, to see what they can do.

George Graham crossing the Bolles Canal on Hyacinths.

So far, the only practical solution for killing the plants came after the invention of the chemical 2-4-D, during World War II. This was devised, but never used, for spraying the enemy's rice fields to help starve out the Japs. Spraying 2-4-D from airplanes, boats and land machines has finally cleared hyacinths from rivers and canals until at last you can see the water again. Three or four weeks after being sprayed the plants will die and form a floating mass which decomposes, and after six or eight more weeks it sinks to the bottom. Now that would be just fine, but even after they're dead sometimes the caused plants can still come back to haunt you. I'll tell you what I mean.

During the big flood in 1953 Lake Okeechobee and the canals were higher than the land, and canals were flowing swiftly towards the coast, but still the water kept on rising. At a spillway in the Ft. Lauderdale Canal, alongside Highway 27, a great mass of these dead and rotted hyacinths had risen to the surface and had formed a jam which was blocking the water flow. Working on this great flat, black mass was a crew of six or eight negroes under the direction of T. G. Mayo of the drainage district. They were cutting this island into sections with cross cut saws, then with poles, pushing the chunks through a gap in the spillway to float further down stream. It looked like pictures I'd seen of men harvesting ice in ponds up north.

After three years of 2-4-D spraying, Lamar Johnson, Chief Engineer for the Everglades Drainage District, was able to report in 1946 that now 177 miles of the state's canal system had been cleared of hyacinths. The cost was \$98 per mile. Since then, Dade County, in its own control program during the 1950's, spent \$76 per mile per year just to keep the pests in check. Farmers and other private owners still have to keep on the right at their own expense.

Nobody seems to believe that hyacinths can ever be exterminated. Only regular patrolling everywhere keeps them from getting out of hand again. So now that you've learned what one little hyacinth plant has done, let's not experiment with piranhas!

tion of County Agricultural Agents in New Orleans, La. Causey was in New Orleans when hurricane Hilda visited that area and shortly after toured the sugarcane area of that state.

He reported seeing field after field of cane lying flat which, according to him, "looked pretty rough." He went on to say that in talking with sugarcane specialists who were in group making the tour, the cost of harvesting the Louisiana cane crop will be doubled and the yield of raw sugar per ton of cane will be cut by at least 20 percent. Most of the damage caused by hurricane Hilda was from the high winds and not from the rains.

The majority of the sugarcane in Louisiana is harvested by machinery.

HONEST - EFFICIENT - LAW ENFORCEMENT

Paid Political Ad.

Dr. William J. Buck, after a professional visit to Mr. Covell at Okeelanta, walking across the 60 foot canal on hyacinths.

Hyacinths used to form jams on which you could walk dry footed. At the chosen locks I saw Hans and Fritz Stein and a Seminole, while standing on hyacinths, pick up a dugout canoe and shove it on top of the plants into the locks. During the building of Conners Highway, Buck Tillman in the tug "Andrew" towing two 90 foot barges with drums of gasoline, was barely able to get down Taylor Creek. Then the hyacinths under the barges' bottoms held him back until he was 48 hours making the 25 miles from Okeechobee City to Canal Point.

Mrs. Wes Raulerson of Okeechobee recalls how her father, with the family, left their home on Lake Isokopog in his launch. For two days and nights they battled the hyacinths in the creek and in Kissimmee River. Gasoline and food both gave out before a steamboat came along.

In the flood of 1924 hyacinths had formed a jam in the Lauderdale canal at the 36 Mile Temporary Locks, about at present Andytown. The lock gates were open but the jam had backed up for more than quarter of a mile and was getting bigger and denser by the hour. The dredging outfit of W. Scott Holloway arrived here, headed for Ft. Lauderdale. That dipper dredge could dig rock but it couldn't dig hyacinths. By the time it gave up trying to dip a passage through, the jam had packed so tight that the dredge couldn't even back out. The crew was marooned there for nearly two weeks. Their provisions gave out. Some game brought from passing Seminoles and six coons found on the canal bank had to do them for rations until a crew of engineers came up from Lauderdale and removed the spillway. Yes brother, this tale is no exaggeration, for I was there.

Naturally, many different methods have been tried to combat the hyacinths. In the Kissimmee River and in the Everglades

**Dyrene**

50% WETTABLE POWDER  
FOLIAGE FUNGICIDE

## Outstanding Fungus Control!

Dyrene effectively combats early blight, late blight and Rhizoctonia... Greatly Increases Celerity Yields... Upgrades Quality

Dyrene is so effective that significant increases in both crop quality and yields usually result from its use. In 6 years of cooperative research and commercial use, Dyrene has proved its outstanding

control of the important fungus diseases that attack celery. Growers from every important celery area of the country report substantial increases in yield over fields treated with conventional fungicides. Dyrene will not harm foliage... does not affect flavor or odor... leaves no harmful residue. For finer celery and more of it, use Dyrene. It works! At your farm supply dealers.
